TCS awarded 2017 'implementation partner' of the year by Dell Boomi in Europe, Middle East and Africa

- Accolade for TCS follows successful digital transformation projects across the region in partnership with Dell Boomi™
- Connected Business transformations by TCS and Dell Boomi have focused on the pillars of Business 4.0 - data, analytics and cloud technology

EUROPE | MUMBAI, November 14, 2017 – Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization today announced that the company has been awarded the 2017 'implementation partner' of the year for Europe, the Middle East and Africa by Dell Boomi™ (Boomi) - the leading provider of cloud integration and workflow automation software to build The Connected Business.

Over the past year, TCS has worked with Boomi on several tailored Connected Business transformation projects for customers throughout the region, helping them adopt agile, customer-centric business models that are underpinned by digital services such as analytics, Big Data, and cloud technology. In addition, TCS has worked with Boomi to supply end-to-end customer service solutions for these partners.

The recognition is particularly timely as industries across the region are going through vast transformation journeys in the wake of the Fourth Industrial Revolution, which is driving businesses towards more connected, agile models, operating on a digital technology foundation.

Raman Venkatraman, Global Head, Alliances & Technology Unit, TCS commented: "This recognition by Dell Boomi is a testament to the strength and understanding we have as part of this growing partnership. Together we've enabled our customers to embrace digital solutions that are vital to their success by bringing our strong industry expertise and Dell Boomi's enterprise-scale solutions to deliver speed, agility, and innovation through cloud and on-premises applications and data."

David Tavoraro, VP of Global Business Development at Dell Boomi, added: "In order to meet our growth objectives for Europe, the Middle East and Africa, partners are crucial to Boomi's success. Our partnership with TCS has been strategic for us, and we are thrilled to recognize TCS' accomplishments in innovation, delivery and customer satisfaction and look forward to continued success."
