TCS Named Hewlett Packard Enterprise Global Hybrid IT Solutions Partner of the Year

Hewlett Packard Enterprise Recognizes Tata Consultancy Services Innovative and Forward-Thinking IT Solutions

NEW YORK | MUMBAI, July 6, 2018: Tata Consultancy Services (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, was presented with Hewlett Packard Enterprise (HPE) Global Hybrid IT Solutions Partner of the Year Award.

TCS has been selected for its work as a Global System Integrator partner for HPE, helping to facilitate successful go-to-market motions and joint go-to-market solutions by increasing revenue and minimizing competition. TCS has also engaged with HPE in creating meaningful, solutions and offerings on Aruba, Synergy and HANA as a Service, among others.

"We are excited to be recognized as the Global Hybrid IT Solutions Partner of the Year by HPE because TCS strives to be on the cutting edge of innovation, and this award is testament to our joint efforts in driving our customer's digital transformation journeys to become Business 4.0 enterprises," said Raman Venkatraman, Global Head of TCS' Alliance and Technology Unit (ATU). "At TCS, we invest in expanding our IT solutions capabilities through strong collaborations with partners like HPE to deliver business value for our customers globally."

TCS has been a HPE partner for more than three decades, and has made significant investments with HPE including Centers of Excellence for IT infrastructure management, assurance, security, and converged systems, to ensure employee skills and competencies are aligned to market drivers and technology trends. HPE's technology leadership is complemented by TCS' deep domain experience, contextual knowledge, delivery process quality, investments in R&D, repeatable solution assets, and a flexible global resource base.

"It's an honor to award partners who are raising the standard of business excellence," said Paul Hunter, Worldwide Head of Partner Sales, HPE. "HPE is committed to enabling mutual growth with partners, and these awards recognize those who develop business opportunities with our joint customers."

Hewlett Packard Enterprise (HPE) announced winners of the 2018 HPE Partner of the Year Awards at its annual Global Partner Summit in Las Vegas. Winners were recognized for outstanding performance and accomplishments, and for driving meaningful business results for shared customers.

About Tata Consultancy Services:

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for the last fifty years. TCS offers a consulting-led, Cognitive powered, integrated portfolio of IT, Business & Technology
