In 1963, at Jaipur, with German Machinery and Technology, the Company started manufacturing Technical Textile - Paper Machine Clothing, namely, Phosphor Bronze Wire Cloth for the Paper Industry. Stainless Steel Wire Cloth was introduced in 1974. After further additions in capacity and products, in 1981, the Company entered into manufacturing of Single Layer Synthetic Forming Fabrics, with German collaboration. Double Layer Synthetic Forming Fabrics were introduced for the first time in India in 1986 and again Triple Layer Synthetic Forming Fabrics were introduced for the first time in India in 1996. Yet again SSB range of fabrics was introduced for the first time in India in 2006 .The Company's product range now includes Dryer Screens, Pulp Fabrics and Technical Fabrics.

Today, Wires & Fabriks is the market leader in India and the sub-continent for Technical Textile - Synthetic Forming Fabrics and among the few manufacturers in world for SSB Fabrics, which represents the latest in Synthetic Forming Fabrics Technology. In the Paper Making Chemicals, the Company has a tie-up with some of the best overseas Paper Making Chemical manufacturers.

The Company was awarded accreditation under ISO 9002 system in 1994 which has been upgraded from time to time with the latest being upgraded to 9001:2015 in 2016. The Company is the first manufacturer of technical/industrial fabrics in the Country to have its In-house R&D recognized by the Govt. of India. The Company constantly updates itself with modern machines and latest technology. It also exports its products to many countries.

The Company's mission is to consistently delight its customers through its value-added products and services and to create a strong technological base through an environment of team-work which will enable it to become a world-class manufacturer in its existing product line and to use its strength to diversify into other profitable ventures.

DIRECTORS' REPORT

For the Year 2018-19

Dear Members,

The Directors of the Company have pleasure in presenting the 62nd Annual Report and Audited Financial Statements of the Company for the year ended 31st March, 2019.

FINANCIAL RESULTS

The financial results, in brief, for the year ended 31st March, 2019 are as under:

	(Rs. in Lacs)	
	<u>31.03.2019</u>	<u>31.03.2018</u>
Total Income (net of excise duty)	10591.03	10295.96
Profit After Tax	127.12	83.94
Retained Earnings	3104.20	2999.19

DIVIDEND

Your Directors have recommended to the Members a dividend of Rs. 0.60 per share (previous year Rs. 0.60 per share) amounting to Rs. 22.11 Lacs, including dividend tax thereon for the financial year ended 31st March, 2019.

OPERATIONS & FUTURE OUTLOOK

During the year under review, the performance of your Company has improved in terms of sales as well as the profits. The Company closed the Financial Year with increase in turnover, and a good increase in profitability over the previous year due to benefits accrued from modernization project completed in 2015-16, resulting in minimization of costs. Further plan for expansion cum modernization is underway which is expected to be completed in 2020-21.

Your Company continues to maintain its leadership in Technical Textiles due to continued thrust on new product development and technology up-gradation. A number of steps taken to reduce costs and increase market penetration will lead to improved performance in the coming years. The current economic scenario may however continue to affect the results of the Company in the short term. With economic improvement, the Indian Paper Industry is expected to grow at a higher rate than the GDP growth, especially in the packaging segment. The expected completion of expansion cum modernization project together with our strong thrust on exports, will enable your Company to become more competitive and enter new markets.

ANNEXURE TO THE DIRECTORS' REPORT - SECRETARIAL AUDIT REPORT

Secretarial Audit Report

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Wires and Fabriks (S.A.) Limited
Kolkata

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Wires and Fabriks (S.A.) Limited (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2019 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

MANAGEMENT DISCUSSIONS & ANALYSIS REPORT 2018-19

INDUSTRY STRUCTURE & DEVELOPMENTS

The Company mainly deals in technical products for the Paper Industry. The Paper Industry in India is growing at a rate higher than the GDP growth. Present per capita paper consumption in India being low, it is bound to increase, resulting in increased production of paper and increased consumption of company's products. The same is true in the case of other Asian countries. Our products requiring tailor made services offer us a great opportunity both by way of geographical advantage & local expertise.

OPPORTUNITIES & THREATS

Growth in the Paper Industry is a foregone conclusion. Besides growth in the domestic sector, growth opportunity also exists in the export sector, as Asia is the fastest growing region in the world for the paper sector. Besides domestic competition, competition from overseas suppliers may increase due to various developments in the Indian Economy. However, the Company has maintained its leadership due to continuous thrust on modernisation & technology upgradation.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

Products for the Paper industry had a brief setback in the current economic scenario. Wind mills are performing satisfactorily.

FUTURE OUTLOOK

The expected completion of the Company's Expansion cum Modernisation Project in 2020-21, will make the Company ready for the future. This will improve the performance in the forthcoming years. The current economic scenario may however affect the results in short term.

RISKS & CONCERNS

Reduction in growth rate of Indian Paper Industry and increased competition both from domestic and overseas suppliers and foreign currency rates are main areas of concern. Costly equipments and constantly upgrading technology reduces margins. However, the emphasis on Research & Development has led to an inherent technical strength, which helps the Company to maintain its leadership and bottom-line.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

The Company has adequate internal control procedure commensurate with the nature of its business & size of its operations. Internal Audit is conducted at regular intervals and covers the key areas of operations.

DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The Company closed last financial year with increase in turnover and a good increase in profitability. The Company plans to further strengthen the areas where more improvement opportunities exist.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

The Company continues to give its high attention to its Human Resources. Various initiatives were successfully implemented during the year. Industrial relations continue to be cordial.

FINANCIAL RATIOS

The details on key financial ratios are produced below which enables to measure Company's operational efficiency, liquidity, stability and profitability, giving management, investors and other stakeholders more relevant information than raw financial data and to take

better strategic, operational & financial decisions by using the widely popular, and arguably indispensable, technique of ratio analysis.

	FY 2018-19	FY 2017-18
i. Debtors Turnover	3.19	2.85
ii. Inventory Turnover	4.49	3.96
iii. Interest Coverage Ratio	3.44	1.09
iv. Current Ratio	1.85	1.64
v. Debt Equity Ratio	0.81	1.10
vi. Operating Profit Margin (%)	2.33	1.91
vii. Net Profit Margin (%)	1.65	0.16
viii. Return on Net Worth (%)	4.04	0.41

Saving in Raw Material and Finance cost resulted in better Return on Net Worth, Net Profit Margin and Interest Coverage Ratio. Further repayment of Term Loan coupled with better utilization of borrowed working capital funds improved Debt Equity Ratio.

CAUTIONARY STATEMENT

Some of the statements made above are stated as required by applicable regulations. While they are based on the data available and the bonafide judgment of the management, the actual results may be affected by various factors, which may be different from what your management envisages in terms of future performance & outlook.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WIRES & FABRIKS (S.A.) LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the financial statements of Wires & Fabriks (S.A.) Limited ("the Company"), which comprises the Balance sheet as at 31st March 2019, the Statement of Profit and Loss (Including Other Comprehensive Income), Cash Flow Statement and the Statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date (hereinafter referred to as "Financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit (including other comprehensive income) and its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

SI No	Key Audit Matter	Auditor's Response
1.	Accuracy of recognition, measurement, presentation and disclosures of receivable and expected credit loss. A receivable shall be classified as 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Hence, amounts due under contractual rights, other than arising out of sale of goods or rendering of services, cannot be included within Trade Receivables. As per Ind AS 109, the company is required to recognize a loss allowance (i.e. impairment) for expected credit losses on financial assets including trade receivables.	Our procedures included: Accounting policies: Trade receivable which are likely to be realized within twelve months from the date of Balance Sheet or within the operating cycle than it shall be classifying as current assets. Control testing: Testing the effectiveness of the company controls over the calculation of trade receivable as 'doubtful'. Tests of details: - Obtaining supporting documentation for sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether trade receivable corresponding to revenue was recognised in the correct period. - Documentation for a sample invoice of goods or services sold and supporting documentation. - Credit loss is the difference between all contractual cash flows that are due to an entity in accordance with the contract and all the cash flows that the entity expects to receive (i.e. cash shortfalls), including cash flows from the sale of collateral held. Credit Risk: Credit risk is the risk that counterparty will not meet its obligation under customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities primarily to trade receivable.

SI No	Key Audit Matter	Auditor's Response
		Assessing disclosures: Considering the adequacy of the disclosures in respect of trade receivable. Our results : – The results of our testing were satisfactory, and we considered that the trade receivable were recorded on amount due on goods and services rendered in the normal course of business and company has a credit review & monitoring system which includes credit approvals credit limits and monitoring.
2.	Direct Tax provision In the normal course of business, "Income Taxes" as the amount of income taxes payable (recoverable) in respect of the taxable profit (tax loss) for a period.	Our procedures included:- Control testing: - Testing the effectiveness of the controls around the recording and re-assessment of tax provisions. Our tax expertise: - Use of our own tax specialists to perform an assessment of the related correspondence, to consider the computation of tax provisions. - Challenging the assumptions using our own expectations based on our knowledge, considering relevant judgments passed by authorities, as well as assessing relevant opinions from third parties. Assessing disclosures: Considering the adequacy of the disclosures in respect of tax and uncertain tax positions. Our results : The results of our testing were satisfactory, and we found the level of tax provisioning to be acceptable.

The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that gives a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with management, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of Wires & Fabriks (S.A.) Limited (“the Company”) as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended 31st March, 2019.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company.

SIGNIFICANT ACCOUNTING POLICIES

Annexed to and forming part of the financial statements for the year ended 31st March, 2019.

A. Corporate Information:

Wires and Fabriks (S.A.) limited ("The Company") is a public limited company incorporated and domiciled in India and has its registered office at 7, Chittaranjan Avenue, Kolkata 700 072, India. The Company is listed on the BSE Limited and Calcutta Stock Exchange Limited. The company is engaged mainly in paper mill products.

B. Significant Accounting Policies:

1. Basis of Preparation and Presentation of Financial Statement

- a) The Financial Statements of the Company have been prepared on historical cost convention under accrual method of accounting and as a going concern concept except for certain assets and liabilities which are measured at fair values as required by Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer of liability in an ordinary transaction between market participants at the measurement date. All assets and liabilities have been classified as per the Company's normal operating cycle and the other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and noncurrent classification of assets and liabilities.

- b) The Financial Statements of the Company have been prepared to comply with the Indian Accounting Standard ('Ind AS'), including the rules notified under the relevant provisions of Companies Act, 2013. Accounting policies have consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- c) Company's Financial Statements are presented in Indian Rupees, which are also its functional currency and all amounts are rounded to the nearest rupees, except as stated otherwise.

2. Property, Plant and Equipment

- a) Property, plant and equipment are stated at cost of acquisition or construction inclusive of freight, net of recoverable taxes /duties, borrowing cost, net changes on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the assets and other directly attributable cost of bringing the assets in its working condition for its intended use, less accumulated depreciation and impairment losses, if any.

Subsequent cost are included in the asset's carrying amount or recognised as a separate cost, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and cost can be measured reliably.

- b) Depreciation on property, plant and equipments other than Wind Power Plants is provided on "straight line method" and on Wind Power Plant on "Written down value method" based on useful life of the assets ascertained by the Company, which are in line with Schedule II to the Companies Act, 2013. Leased assets is amortised over the period of lease.
- c) The gain and loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.
- d) Insurance claims for damaged capital goods are accounted for on settlement of claims as per practice.
- e) Expenses incurred relating to the project, net of income earned prior to its intended use are considered as Pre Operative Expenses and disclosed under Capital Work in Progress. Pre-operative expenditure is allocated on the respective assets in the year of capitalisation.

3. Leases

- a) Leases are classified as finance leases wherever the terms of the lease, transfers substantially all the risk and rewards of the ownership to the lessee. Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease. All other lease is classified as operating lease.
- b) Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where other systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

4. Intangible Assets

- a) Intangible Assets are stated at cost of acquisition or construction inclusive of freight, net of recoverable taxes /duties, borrowing cost, net changes on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the assets and other directly attributable cost of bringing the assets in its working condition for its intended use, less accumulated depreciation and impairment losses, if any.
- b) The gain and loss arising on the disposal or retirement of an item of Intangible assets is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.
- c) Computer Software is amortised over a period of 5 years.

5. Inventories

Inventories are valued at lower of cost or net realizable value. Cost of inventories comprises of cost of purchases, cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. The Company follows weighted average method for deriving cost of Work-In-Progress and Finished Goods. Provisions are made to cover slow moving and obsolete item. Scrap is valued at estimated market value.

6. Impairment of non financial assets - Property, Plant and Equipment

The Company assesses at each reporting date whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

7. Research and development expenditure

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such assets as applicable.

8. Employee benefits

a) Short term Employees Benefits Expenses

Short term employee benefits are recognised as expenses at the un-discounted amount in the Statement of Profit and Loss of the year in which the related service is rendered. Termination benefits are recognised as expenses as and when paid.

b) Post Employment Benefits

- i. Employee benefits in the form of Provident Fund, ESIC and Labour Welfare Fund are considered as defined contribution plan and the Company pays the contributions to recognised funds are charged to the Statement of Profit and Loss during the period when the contributions are due, as per the provisions of respective statutes. The company has no further obligations beyond its stipulated contributions.
- ii. The cost of providing Gratuity, a defined benefit plan is determined using the projected unit credit method, on the basis of actuarial valuation performed by an independent actuary at each Balance Sheet date. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumption are charged or credited to Statement of Profit and Loss in the period in which they arise.
- iii. Provision for Compensated absence and Gratuity liability of whole time Directors and employees, which are defined benefits and determined using the Projected Unit Credit method, on the basis of actuarial valuation performed by an independent actuary at each Balance Sheet date. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumption are charged or credited to Statement of Profit and Loss in the period in which they arise. The Gratuity liability in respect of employees of the Company (except whole time Directors and employees joined after 31.12.2012) is covered through a policy taken by a trust established under the Group Gratuity Scheme with Life Insurance Corporation of India (LIC).

9. Borrowing cost

Borrowing cost consists of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing costs that are attributable to the acquisition of qualifying assets are capitalised as a part of cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

10. Taxation

- a) Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income Tax Act, 1961 and also considering assessment orders and decisions of appellate authorities in the Company's case. Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India. This gives rise to future economic benefit in the form of tax credit against future income tax liability. The company reviews the position of the MAT credit entitlements at each balance sheet date and recognises the same, if there is convincing evidence that the company will utilise the same for payment of normal tax during the specified period and the resultant credit can be measured reliably.
- b) Deferred tax is recognised on timing differences between carrying amount of assets and liabilities in the Financial Statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realised, based on the tax rates and laws that have been enacted or subsequently enacted by the end of the reporting period. The carrying amount of Deferred tax liability and assets are reviewed at the end of each reporting period. Deferred tax liability are generally recognised for all taxable temporary differences and Deferred tax assets are generally recognised for all tax deductible temporary differences, carry forward tax losses and allowances to the extent there is reasonable certainty that these assets can be realised in future.

11. Foreign currency transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary Foreign Currency assets and liabilities are restated at the rates ruling at the end of the year and exchange difference arising out of such transactions are dealt with in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to the interest cost on foreign currency borrowing that are directly attributable to the acquisition or construction of qualifying assets, are capitalised as cost of assets.

12. Provisions

Provisions are recognised when there is a present obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at each Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the best current estimate.

13. Revenue from contract with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of the consideration received or receivable, net of returns, discounts, volume rebates, and goods and service tax. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company regardless of when the payment is being made.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. The adaption of IndAS 115 did not have significant impact for the company.

Export Incentives are recognised on post export basis on entitlement rates. Government grants are recognised on receipt / reasonable ascertainment of ultimate collection thereof. Interest income is recognised using the effective interest method

14. Use of estimates

The preparation of Financial Statements requires estimates to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised

15. Financial Instrument

a) Financial Assets

I. Initial Recognition and measurement

Financial Assets and Financial Liabilities are recognized when the Company became a party to the contractual provisions of the instrument. All Financial Assets and Liabilities are initially recognised at fair value except for trade receivable which is initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities which are not at fair value are adjusted through profit or loss to the fair value on initial recognitions. Purchase and sale of financial assets are accounted for at trade date.

II. Subsequent measurement

a) Financial Assets carried at amortised cost (AC)

A financial asset is subsequently measured at amortise cost, if the financial asset is held within a business model, whose objective is to hold the asset in order to collect contractual cash flow and the contractual term of financial asset give rise on specified date to cash flow that are solely payment of principal and interest on principal amount outstanding.

b) Financial Assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if financial assets is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial assets and the contractual term of financial assets give rise on specified date to the cash flow that are solely payment of principal and interest on principal amount outstanding. The Company has made irrevocable election for its investments which are not held for trading and are classified as equity instrument to present the subsequent changes in fair value in other comprehensive income on its business model. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of each equity investment.

c) Financial Assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories is measured at fair value through profit or loss (FVTPL).

III. Other Equity Investments

All other equity investments are measured at fair value with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the company has elected to present the value change in "Other Comprehensive Income".

IV. Impairment of Financial Assets

In accordance with Ind As 109 the Company uses ' Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those required at fair value through profit and loss (FVTPL). Expected credit loss is measured through a loss allowance at an amount equal to:-

- The twelve months expected credit loss (expected credit loss that result from those default events on the financial instruments that are possible within twelve months after the reporting date) ; or
- Full lifetime expected credit loss (expected credit loss that result from all possible default events over the lifetime of the financial instruments).

For trade receivables company applies expected lifetime losses from initial recognition of the receivable. For other assets, the company uses twelve month ECL to provide for impairment loss where there is no significant increase in credit risk since initial recognition. If there is a significant increase in credit risk since initial recognition, full lifetime ECL is used.

b) Financial Liability

I. Initial Recognition and measurement

All financial liabilities are recognised at fair value.

II. Subsequent measurement

Financial liabilities are carried at amortised cost using the effective interest rate method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amount is approximate fair value due to the short maturity of these instruments.

c) Derecognition of financial instruments

The Company derecognises a financial asset when the contractual right to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

16. Government Grants:

The company recognise Government grants only when there is a reasonable assurance that the conditions attached to them shall be complied with and grant will be received. Grants related to assets are treated as deferred income and are recognised in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets. Grants related to income are recognised on a systematic basis over the periods necessary to match them with the related cost which they are intended to compensate and are deducted from the expenses in the Statement of Profit and Loss.

17. Contingent Liability and Contingent Assets

Contingent Liabilities are not provided for in the accounts and are separately shown in the Notes on Accounts. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

18. Recent accounting pronouncements

Ind AS 116 – Leases Standards

Ind AS 116 Leases was notified on March 30, 2019 and it replaces Ind AS 17 Leases, including appendices thereto. Ind AS 116 is effective for annual periods beginning on or after April 1, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will be also required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amount of the remeasurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting under Ind AS 116 is substantially unchanged from today's accounting under Ind AS 17. Lessors will continue to classify all leases using the same classification principle as in Ind AS 17 and distinguish between two types of leases: operating and finance leases.

The Company intends to adopt this standard. However, adoption of this standard is not likely to have a significant impact in its Financial Statements.

Ind AS 19 – Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling

The Company intends to adopt this amendment. However, adoption of this amendment is not likely to have a significant impact in its Financial Statements.

Ind AS 12 – Income taxes:

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

The Company intends to adopt this amendment. However, adoption of this amendment is not likely to have a significant impact in its Financial Statements.

Ind AS 23- Borrowing Costs

The amendment clarifies that in computing the capitalization rate for funds borrowed generally, an entity should include borrowing costs applicable to borrowings made specifically for obtaining a qualifying asset, only until the asset is ready for its intended use or sale. Borrowing costs related to specific borrowings that remain outstanding after the related qualifying asset is ready for intended use or of sale would subsequently be considered as part of the general borrowing costs of the entity. The amendment is applicable to borrowing costs incurred on or after the beginning of the annual reporting period beginning on or after 1 April 2019.

The Company intends to adopt this amendment. However, adoption of this amendment is not likely to have a significant impact in its Financial Statements.

NOTE 40 : Capital management

The company's capital management is intended to create value for shareholders and maintain optimum capital structure to reduce the cost of capital. The Company determines the amount of capital required on the basis of annual business plan, coupled with long term and short term requirements and company's expansion / modernisation plans, reviewed by Board of Directors. The funding needs are generally met through long term and short term bank borrowings. The Company monitors the capital structure on the basis of net debt to equity and maturity profiles of the overall debt portfolio of the company. Net debt includes interest bearing borrowings less cash and cash equivalents and current investments, if any.

The table below summarised the capital, net debt to equity ratio of the Company:

The fair value hierarchy categorised financial instruments into Level 1 to 3, as described below:

- Quoted prices in an active market (Level 1):
This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consist of investment in quoted equity shares.
- Valuation techniques with observables inputs (Level 2):
This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within level 1 that are observable for the assets or the liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Valuation techniques with significant unobservable inputs (Level 3):
This level of hierarchy includes financial assets and liabilities, measured using inputs that are not based on observable market data (unobservable inputs).
- Short term financial assets and financial liabilities are stated at carrying value which is approximately equals to their fair value.

NOTE 42 : Financial risk Management

In the Course of its business, the Company is exposed to a variety of financial risk, which may adversely impact the fair value of its financial instruments. The Company has a risk management policy to monitor financial risk - Market risk, Credit risk and Liquidity risk associated with financial assets and liabilities. The risk management policies is reviewed by Board of Director periodically and required mitigation steps are taken.

a) Market Risk

The primary market risk to the Company is fluctuation in foreign currency exchange rates. The Company is exposed to foreign currency risk through its sales in overseas countries (exports) and purchases from overseas suppliers (imports) in foreign currencies. The company pays off its foreign exchange exposure within a short period of time. Presently Company's exports broadly mitigate the risk for imports except capital goods. However, with increase in exports, profitability may be partly affected if rupee appreciates. The Company has facilities of derivative financial instrument- foreign exchange forward and option contracts to mitigate the risk.

b) Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 317,604,722 and Rs 364,762,713 as on as on 31.03.19 and as on 31.03.18 respectively. Trade receivable are unsecured and are derived from revenues from customers. The company has a Credit review & monitoring system which includes credit approvals, credit limits and monitoring. Doubtful debt strategies are made for recovery and limiting future exposure. Exports are preferably through LC or advance, besides covering the risk from credit risk agency, wherever applicable. Credit risk on cash and cash equivalent and bank balances is limited as the Company generally maintain balances / deposits with recognised banks.

c) Liquidity Risk

Liquidity risk refer to the risk that the Company may not able to meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per the requirement. The Company has obtained adequate fund and non fund based working capital limits from its bankers. The Company maintains its surplus funds, if any, in deposits / balances which carry low risk. The Company believes that the working capital is sufficient to meet its current requirements.
