Greenfield expansions: Grinding Unit at Pataliputra, Bihar

We are glad to inform you that the Company has commissioned its fifteenth grinding unit having a 1.6 mtpa cement capacity at Pataliputra, in the State of Bihar.

It will cater to the markets of eastern India where cement demand growth has remained higher than industry average during the last 2 to 3 years and continues to record double digit growth.

After commissioning of this unit, the Company's cement capacity stands at 69.30 mtpa including the overseas operations.

Together with this commissioning and those during the year ended March 2016, the Company has added 6.1 mtpa through greenfield expansions.

Disclaimer:

Statements in the above "communication" describing the Company's objectives, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statement, on the basis of any subsequent development, information or events, or otherwise.
