Independent Auditor's Report on the Statement of Consolidated Audited Annual Financial Results of DCM Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of DCM Limited

- 1 We have audited the annual consolidated financial results of DCM Limited for the year ended 31 March 2018, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the quarter ended 31 March 2018 and the corresponding quarter ended in the previous year as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.
- 2 These consolidated annual financial results have been prepared from consolidated annual financial statements and reviewed quarterly consolidated financial results upto the end of the third quarter which are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.
- 3 We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
- 4 We did not audit the financial statements of eight subsidiaries included the consolidated annual financial results, whose annual financial statements reflect total assets of Rs. 362 lacs as at 31 March 2018 as well as the total revenue of Rs. 8 lacs for the year ended 31 March 2018. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors. Our opinion is not modified in respect of this matter.
- 5 We did not audit the financial statements of three subsidiaries of the jointly controlled entity included in the consolidated annual financial results, whose annual financial statements reflect Group's share of net profit (and other comprehensive income) of Rs. 0.5 lacs for the year ended 31 March 2018. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the annual results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors. Our opinion is not modified in respect of this matter.

- 6 Attention is invited to note 10 of the consolidated annual financial results, wherein it has been explained that Purearth Infrastructure Limited, the jointly controlled entity, had received advances during earlier years aggregating Rs. 3,196 lacs for certain bookings in Plaza 4 of Central Square project and has presented these as 'advances from customers' (share of the Group in these advances are aggregating Rs. 529 lacs). The jointly controlled entity has not provided for likely losses, if any, in respect of these bookings. As explained by the Management of the jointly controlled entity, it is not practicable to determine the likely loss on these sale bookings as the Management is yet to draw up the construction plans for Plaza 4 of Central Square project as also the resultant price escalations and other recoveries in terms of the Scheme of Restructuring and understanding arrived at with the booking holders of the project. Pending the determination of such amounts, we are unable to determine the impact, if any, of such non-accrual. Our audit report on the consolidated financial results for the preceding year was also qualified in relation to this matter.
- 7 In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on other information of the subsidiaries and joint ventures as aforesaid, these consolidated annual financial results, except for the possible effects of the matter described in paragraph 6 above:

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:

Not applicable

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit qualification: Not quantified

(ii) If management is unable to estimate the impact, reasons for the same:

The management of the joint venture company is yet to draw up construction plans for said Project. Further, the revenue including price escalations and other recoveries in terms of the Scheme of Restructuring and understanding arrived with the booking holders of the said Project cannot be determined at this stage. Thus, the management of Joint Venture could not be able to estimate the likely losses for such bookings under the 'Plaza 4 of Central Square Project' and hence have not been provided in the financial Statement of the joint venture company.

(iii) Auditors' Comments on (i) or (ii) above:

As explained to us by the management, the jointly controlled entity is yet to draw up construction plan for the said project. Accordingly, the management of jointly controlled entity has not been able to estimate the likely losses for such booking under the Plaza 4 of the "Central Square Project" and related impact on the consolidated financial statements.
