- The financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) Rules, 2015, as amended.
- The above unaudited financial results for the quarter ended June 30, 2018 were reviewed by the Audit Committee and upon its recommendation, were approved by the Board of Directors at its meeting held on July 26, 2018.
- The figures of the quarter ended March 31, 2018, are the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures upto the third quarter of the respective financial year which was subjected to a limited review.
- According to the requirements of Ind AS and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, revenue for the corresponding previous quarter ended March 31, 2018 and year ended March 31, 2018 were reported inclusive of Excise Duty. The Government of India has implemented Goods and Service Tax ("GST") from July 01, 2017 replacing Excise Duty, Service Tax and various other indirect taxes. Under the modified retrospective approach there were no significant adjustments required to the retained earnings at April 1, 2018. Also, the application of Ind AS 115 did not have any significant impact on recognition and measurement of revenue and related items in the financial results.
- The Company operates in one segment, namely automotive components and allied services.
- The figures for the previous period / year, have been reclassified wherever necessary to conform to the current period's / year's classification.
