4. Material uncertainty related to going concern of a subsidiary of an associate

The material uncertainty related to going concern of a subsidiary of Bhilwara Energy Limited, an associate of the Company, reported in the Auditor's Report on Consolidated financial statements of the associate is being reproduced hereunder:

In case of Chango Yangthang Hydro Power Limited, a subsidiary of the associate

The Board of directors of Chango Yangthang Hydro Power Limited has decided to surrender the Chango Yangthang HEP (180 MW) project to Directorate of Energy, Government of Himachal Pradesh due to delay and uncertainty in project execution and long delay in Government approvals and licences lapse. Further, the Company has written off capital work in progress during the year amounting to Rs. 27.14 crores. These events or conditions indicate that there exists material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern since the Company was incorporated as a Special Purpose Vehicle for this particular project. Our opinion is not modified in respect of this matter.

5. Emphasis of Matter

The Emphasis of matter reported in the Auditor's Report on Consolidated financial statements of Bhilwara Energy Limited, an associate of the Company, is being reproduced hereunder:

In case of Chango Yangthang Hydro Power Limited, a subsidiary of the associate

The company has asked for refund of upfront premium of Rs. 37.89 crores and security deposit of Rs.1.80 crores with interest, the Government of Himachal Pradesh has not considered the Company's contention for surrender of project. The company on 16th February, 2018 has reaffirmed its intention and asked the authorities for their decision on application of surrender of the project since the project is not to be executed purely on account of various social-legal issues neither in the control of the company nor in the control of local administration/authorities. The response from the Directorate of Energy, Government of Himachal Pradesh is awaited and the management is confident of recovering the Upfront Fees and Security Deposit paid on account of surrender of project, in full.

In NJC Hydro Power Limited, a subsidiary of the associate

The viability of the Nyamjang Ch-hu HEP power project is dependent on the outcome of the approval to be granted by National Green Tribunal and Ministry of Environment & Forest and Climate Change.
