Dear Sir / Madam,

Sub: Disclosure of Material Event/ Information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Intimation of Labour Unrest in power division

The Company is having a separate power division for generation of electricity for captive consumption at Murbad, Thane.

We hereby inform you that there is an industrial relation unrest in the form of illegal labor strike in Company's Power Division, resulting into stoppage of generation of electricity for captive consumption.

However, there is no adverse impact in the production of other divisions because the Company is getting sufficient power supply from Maharashtra State Electricity Distribution Company Limited ("MSEDCL"). Also there is no adverse financial impact on the Company as the electricity cost from MSEDCL is equivalent to power generation cost in captive power plant. Thus, all manufacturing divisions of the Company are working as usual.

The Management is taking appropriate legal steps against the illegal strike.

We will keep the exchange informed about the cessation of the above event at the appropriate time.

Thanking You,

Yours truly,

For Technocraft Industries (India) Limited

Sharad Kumar Saraf
Chairman & Managing Director
