Further, pursuant to the approval of the shareholders at the Annual General Meeting held on 6 July 2017, the allotment committee of the Board of Directors at its meeting held on 17 July 2017 allotted to a lender 4,759,291 equity shares of face value of ₹ 1 each at a premium of ₹ 40.61 per share aggregating ₹ 19.80 crore and 256,716 OCDs of face value of ₹ 1,000 each at par (carrying coupon rate of 0.01% p.a.) aggregating ₹ 25.67 crore on preferential basis as part of the S4A Scheme. The implementation of the S4A Scheme and the consequent allotment of equity shares/ OCDs have been made in respect of all the lenders except for few lenders who will be allotted equity shares and OCDs once they exercise their option. Number of equity shares/OCDs to be allotted will be determined based on the share price prevailing at the time of such allotment.
- 2 The Company has received letters from its customers conveying release of 75% of the arbitral award amount resulting in a payout aggregating ₹ 1,930 crore (31 March 2017: ₹ 1,882 crore), of which the Company has realised ₹ 1,096.60 crore till date (including ₹ 300.60 crore realised during the quarter ended 30 September 2017). The balance amount is presently pending on account of completion of certain formalities by the Company. The Company is pursuing with customers for issuance of similar payout letters for an amount of ₹ 901 crore. As at 30 September 2017, the Company's receivables include ₹ 2,491.80 crore (31 March 2017: ₹ 2,948.32 crore) [net of advances of ₹ 1,417.58 crore (31 March 2017: ₹ 443.96 crore)] on account of arbitration awards received in favour of the Company.
- 3 The Company is engaged in a single business segment viz. "Engineering and Construction", which is substantially seasonal in character. Further, the Company's margins in the quarterly results vary based on the accrual of cost and recognition of income in different quarters due to nature of its business, receipt of awards/ claims or events which lead to revision in cost to completion. Due to this reason, quarterly results may vary in different quarters and may not be indicative of annual results.
- 4 The total balance value of work on hand as at 30 September 2017 is ₹ 21,269 crore (31 March 2017: ₹ 20,390 crore).
- 5 a) The Company, as at 30 September 2017, has (i) a non-current investment amounting to ₹ 612.40 crore (31 March 2017: ₹ 612.40 crore), non-current loans amounting to ₹ 415.28 crore (31 March 2017: ₹ 380.86 crore), other non-current financial assets amounting to ₹ 12.15 crore (31 March 2017: ₹ 21.72 crore) in its subsidiary HCC Real Estate Limited (HREL) which is holding 68.70% share in Lavasa Corporation Limited (LCL) a step down subsidiary; and (ii) a non-current investment amounting to ₹ 18.43 crore (31 March 2017: ₹ 18.43 crore), non-current loans amounting to ₹ 152.56 crore (31 March 2017: ₹ 131.56 crore), other non-current financial assets amounting to ₹ 9.56 crore (31 March 2017: ₹ 16.45 crore) and other current financial assets amounting to ₹ 4.94 crore (31 March 2017: ₹ 4.77 crore) in LCL. While such entities have incurred losses during their initial years and consolidated net-worth of both entities as at 31 March 2017 has been fully eroded, the underlying projects in such entities are in the early stages of development and are expected to achieve adequate profitability on substantial completion and/ or have current market values of certain properties which are in excess of the carrying values. The net-worth of these subsidiaries does not represent their true market value as the value of the underlying investments/ assets, based on valuation report of an independent valuer, is substantially higher. Therefore, based on certain estimates like future business plans, growth prospects and other factors, the management believes that the realizable amount of these subsidiaries is substantially higher than the carrying value of the non-current investments, non-current loans, other non-current financial assets and other current financial assets due to which these are considered as good and recoverable.
- b) In the Joint Lenders Forum ("JLF") meeting of the lenders of LCL held on 20 September 2017, the lenders have decided to invoke the Strategic Debt Restructuring in LCL and its wholly owned subsidiaries – Warasgaon Assets Maintenance Limited and Warasgaon Power Supply Limited with a reference date of 20 September 2017. Lenders of LCL are in the process of completing the necessary formalities within the timelines specified by the Reserve Bank of India.
- c) In response to the JLF's request to bolster the promoter's (i.e. Hindustan Construction Company Ltd. or 'the Company') equity commitment in LCL through the conversion of loans and receivables into equity, the Company has decided to convert its loans and receivables of ₹ 167.06 crore into equity at an issue price of ₹ 10 per share.
- 6 'Unbilled work-in-progress (Other current financial assets)', 'Non-current trade receivables' and 'Current trade receivables' include ₹ 977.95 crore (31 March 2017: ₹ 911.80 crore), ₹ 123.39 crore (31 March 2017: ₹ 123.39 crore) and ₹ 207.37 crore (31 March 2017: ₹ 90.30 crore), respectively, outstanding as at 30 September 2017 which represent various claims raised earlier, based on the terms and conditions implicit in the contracts and other receivables in respect of closed/suspended projects. These claims are mainly in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work; for which Company is at various stages of negotiation/discussion with the clients or under arbitration. Non-current trade receivables also include arbitration awards received in favour of the Company, which have been subsequently set aside by District Court/ High Courts against which the Company has preferred appeals at High Courts/ Supreme Court and has been legally advised that it has good case on merits. Considering the contractual tenability, progress of negotiation/ discussion with the client, the management is confident of recovery of these receivables.
- 7 The Company, as at 30 September 2017, has a non-current investment amounting to ₹ 2.24 crore (31 March 2017: ₹ 2.24 crore), non-current loans amounting to ₹ 1,260.26 crore (31 March 2017: ₹ 1,124.36 crore), other non-current financial assets amounting to ₹ 79.24 crore (31 March 2017: ₹ 141.14 crore) and other current financial assets amounting to ₹ 0.40 crore (31 March 2017: ₹ 2.47 crore) in its subsidiary HCC Infrastructure Company Limited (HIL) which is holding 85.45% in HCC Concessions Limited (HCL) having various Build, Operate and Transfer (BOT) SPVs under its fold. While HCL has incurred losses during its initial years and consolidated net-worth as at 31 March 2017 has been fully eroded, the underlying projects are expected to achieve adequate profitability on substantial completion. The net-worth of this subsidiary does not represent its true market value as the value of the underlying investments/ assets, based on valuation report of an independent valuer, is higher. Therefore, based on certain estimates like future business plans, growth prospects and other factors, the management believes that the realizable amount of the subsidiary is higher than the carrying value of the non-current investments, non-current loans, other non-current financial assets and other current financial assets due to which these are considered as good and recoverable.

- 8 For the year ended 31 March 2014, the Company's request for managerial remuneration in excess of the limit prescribed and held in trust, to the Ministry of Corporate Affairs ('the Ministry'), to reconsider their approval of ₹ 1.92 crore against the entire remuneration paid of ₹ 10.66 crore is pending with the Ministry. In respect of years ended 31 March 2015 and 31 March 2016, the Company's application to the Ministry for approval of remuneration paid/payable for each year ₹ 10.66 crore to the Chairman and Managing Director in excess of the limit prescribed, held in trust to the extent paid, is pending with the Ministry.
- 9 The Non-Convertible Debentures issued by the Company in an earlier year have been relisted on the Bombay Stock Exchange on 7 July 2017.
- 10 Exceptional items for the year ended 31 March 2017 represent write off of trade receivables amounting to ₹ 35.97 crore and gain on restructuring of debts amounting to ₹ 14.75 crore.
- 11 This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016. The Audit Committee has reviewed these results and the Board of Directors have approved the above results at their respective meetings held on 2 November 2017. The statutory auditors of the Company have carried out a limited review of the aforesaid results.

Independent Auditor's Review Report on Standalone Quarterly Financial Results and Year to Date Results of the Company Pursuant to Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Hindustan Construction Company Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Hindustan Construction Company Limited ('the Company') for the quarter ended 30 September 2017 and the year to date results for the period 1 April 2017 to 30 September 2017, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, except Note 4 to the Statement regarding 'total balance value of work on hand as at 30 September 2017' which has been traced from disclosures made by the Management and has not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. As stated in Note 5 (a) to the Statement, the Company's non-current investments as at 30 September 2017 include non-current investments aggregating Rs. 630.83 crore in two of its subsidiaries; and non-current loans, other non-current financial assets and other current financial assets as at that date include dues from such subsidiaries aggregating Rs. 567.84 crore, Rs. 21.71 crore and Rs. 4.94 crore, respectively, being considered good and recoverable by the management considering the factors stated in the aforesaid note including valuation report from an independent valuer. However, these subsidiaries have accumulated operational losses and their net worth is fully eroded. Further, these subsidiaries are facing liquidity constraints due to which they may not be able to realize projections made as per their respective business plans. In the absence of sufficient appropriate evidence, we are unable to comment upon the carrying value of these non-current investments and recoverability of the aforesaid dues and the consequential impact, if any, on the accompanying Statement. Our review report for the quarter ended 30 June 2017 and the auditor's report for the year ended 31 March 2017 were also modified in respect of this matter.
4. Based on our review conducted as above, except for the possible effects of the matter described in the previous paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to:
 - a) Note 6 to the Statement, regarding uncertainties relating to recoverability of unbilled work-in-progress (other current financial assets), non-current trade receivables and current trade receivables aggregating Rs. 977.95 crore, Rs. 123.39 crore and Rs. 207.37 crore, respectively, as at 30 September 2017, which represent various claims raised in the earlier years in respect of projects suspended or substantially closed and where the claims are currently under negotiations/discussions/arbitration. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying Statement. Our review report is not modified in respect of this matter.
 - b) Note 7 to the Statement, regarding the Company's non-current investment in a subsidiary company, non-current loans, other non-current financial assets and other current financial assets due from such subsidiary aggregating Rs. 2.24 crore, Rs. 1,260.26 crore, Rs. 79.24 crore and Rs. 0.40 crore, respectively, as at 30 September 2017. The consolidated net-worth of the aforesaid subsidiary has been fully eroded; however, based on certain estimates and other factors, including subsidiary's future business plans, growth prospects and valuation report from an independent valuer, as described in the said note, management believes that the realizable amount is higher than the carrying value of the non-current investments, non-current loans, other non-current financial assets and other current financial assets due to which these are considered as good and recoverable. Our review report is not modified in respect of this matter.

Walker Chandiok & Co LLP

- c) Note 8 to the Statement, regarding remuneration of Rs. 10.66 crore paid for each of the financial years ended 31 March 2014 and 31 March 2016 to the Chairman and Managing Director (CMD), which is in excess of the limits prescribed under the provisions of the erstwhile Companies Act, 1956/ the Companies Act, 2013, respectively, and for which the Company has filed an application for review/ an application, respectively, with the Central Government; however, approval in this regard is pending till date. Our review report is not modified in respect of this matter.
6. We did not review the separate financial results of six joint operations, included in the Statement, whose financial results reflect total assets of Rs. 42.43 crore and net assets of Rs. 9.27 crore as at 30 September 2017 and total revenues of Rs. 4.20 crore for the quarter ended 30 September 2017 and Rs. 11.79 crore for the six months ended on that date, as considered in the Statement. The Company had prepared separate set of financial results of these joint operations for the quarter and six months ended 30 September 2017 in accordance with accounting principles generally accepted in India and which have been certified by the management. Our conclusion, in so far it relates to the amounts and disclosure in respect of these joint operations, is solely based on representations made by the management. Our review report is not modified in respect of this matter.

The order backlog was CHF 1.6 billion (Rs 10,811.9 crore) at the end of Q2 FY 2017-18. Further, the company has secured orders for over CHF 278 million (Rs 1,883.7 crore), where contracts are yet to be signed.

HCC Concessions Ltd: The daily collections for Baharampore Farakka Highways Ltd and Farakka Raiganj Highways Ltd for Q2 FY 2017-18 have been Rs 34 lakh and Rs 33.2 lakh, respectively. Q2 collections have been relatively muted due to an unusually heavy monsoon in West Bengal and the impact of GST. For Badarpur Faridabad Tollway Ltd (BFTL), a termination notice was issued by the Company to NHAI on September 1, 2017 along with a request for termination payment in lieu of the Supreme Court imposition of environmental charges, effectively preventing commercial vehicle traffic movement into Delhi, which constitutes a political force majeure event.

Lavasa Corporation Ltd: The Joint Lenders Forum, as part of a comprehensive solution, has invoked Strategic Debt Restructuring (SDR) in Lavasa Corporation Limited and its wholly-owned subsidiaries Warasgaon Assets Maintenance Limited and Warasgaon Power Supply Limited. The SDR process will involve lowering of debt by converting a part of Lenders loans into equity, the implementation of a fresh business plan and the induction of new investors into the project within the timelines prescribed by RBI in its notification.

The Lenders also noted that due to delay in implementation of the earlier JLF approved structure, the project remained stalled for two years and an additional interest of around Rs.1200 crore was accumulated, and hence release of working capital for the project needs to be resolved on priority.
