## Sources of Information

For the purpose of the valuation exercise, we have relied upon the following sources of information provided by the Management:

- Audited financial statements of ITI Securities, ITI Capital Holdings and Crest Ventures for the year ended March 31, 2014 provided by the respective management.
- Draft Scheme of Amalgamation.
- Discussions with respective management.
- Other relevant details regarding the companies such as their history, their promoters, past and present activities, existing shareholding pattern and other relevant information and data including information in the public domain.
- Such other information and explanations as we required and which have been provided by the management.

## VALUATION APPROACH

- Generally for the purpose of amalgamation, following valuation approaches can be considered, viz,
  - (a) the "underlying asset" approach;
  - (b) the "income" approach; and
  - (c) the "market" approach
- Since, the Scheme envisages the
  - Merger of ITI Securities Limited (ITI Securities) with ITI Capital Holdings Private Limited (ITI Capital Holdings) with effect from April 1, 2014 (**PART A**); and
  - Thereafter, merger of ITI Capital Holdings Private Limited (ITI Capital Holdings) with Crest Ventures Limited (Crest Ventures) with effect from April 2, 2014 (**PART B**)

We undertook, to value ITI Securities and ITI Capital Holdings first to arrive at the Fair Exchange ratio for **PART A**, and after giving effect of merger of ITI securities with ITI Capital Holdings, we have valued ITI Capital Holdings (**Merged**) and Crest Ventures Limited to arrive at the Fair Exchange ratio for **PART B**

### Valuation approach adopted for PART A

- Since shares of ITI Capital Holdings and ITI Securities are not listed on any stock exchanges, therefore "market" approach is not applicable for the valuation of ITI Capital Holdings and ITI Securities.
- Also, as on the appointed date, ITI Capital Holdings and ITI Securities do not have any substantial business activity, therefore we have thought fit not to use "income" approach for PART A valuation exercise.
- Considering the above, we have thought fit to determine the values using the "underlying asset" approach for ITI Capital Holdings and ITI Securities.
- As informed by the Management, ITI Capital Holdings intends to discharge the consideration for amalgamation through issue of 3% Cumulative Redeemable Preference Shares (hereinafter referred to as "CRPS") of INR 100/- each to Equity Shareholders and Preference Shareholders of ITI Securities. In view of this, there is no need to carry out valuation of equity shares of ITI Capital Holdings.

### Valuation approach adopted for PART B

- Since ITI Capital Holdings (after giving effect of PART A) remains wholly owned subsidiary of Crest Ventures, no shares are to be issued to shareholders' of ITI Capital Holdings, therefore, no valuation of equity shares of Crest Ventures and ITI Capital Holdings is required.

### Valuation of shares under underlying Asset Approach

- In case of "underlying asset" approach, the value is determined by dividing the net assets of the company by the number of shares. The "underlying asset" approach represents the value with the reference to the historical cost of the assets owned by the Company and attached liabilities as at the valuation date.
- In arriving at the Net Asset Value, appropriate adjustments have been made for appreciation/ diminution in value of investments, after considering the tax impact. The appreciation/diminution in value of investments is worked out based on underlying net assets/ transaction values after considering the appreciation in value of surplus assets, if any.
- The underlying net asset value as arrived above is divide by the number of equity shares to arrive at the value per equity share.

### Methodology for valuation of shares under underlying Asset Approach for PART A

#### Calculation of Net Asset Value of ITI Securities as at March 31, 2014

Particulars	Amount (INR)
<b>Assets</b>	
Fixed Assets (Net)	14,473,120
Non Current Investments	52,976,832
Long Term Loans & Advances	22,900,000
Net Current Assets	(94,574,785)
Deferred Tax Assets	NIL
<b>Total Assets (A)</b>	<b>23,058,967</b>
Less: Liabilities	NIL
<b>Net Asset Valuable attributable to shareholders</b>	<b>23,058,967</b>
Less : Preference Shares	120,000,000
<b>Net Assets Value to Equity Shareholders</b>	<b>(96,941,033)</b>
Number of Equity Share (No.s)	5,000,000
<b>Value per Equity Share (INR)</b>	<b>(19.39)</b>

Considering the fact that, value per equity share (as above) is negative Rs. 19.39, therefore no CRPS to be allotted to equity shareholder. Further, the business is intended to be continued on a "going concern" basis, we have considered it appropriate to give full value to Preference Shareholder.

## Recommendation of Fair Exchange Ratio

- The share exchange ratio has been arrived on the basis of various qualitative factors relevant to the Companies and the business dynamics, having regard to information base, management representations and perceptions, key underlying assumptions and limitations.
- In the ultimate analysis, valuation will have to involve the exercise of judicious discretion and judgment taking into all the relevant factors. There will always be several factors, e.g. present and prospective competition, yield on comparable securities and market sentiments etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of the share.
- In the light of the above and on consideration of all the relevant factors and circumstances as discussed and outlined hereinabove earlier in this report, in our opinion, a fair share exchange ratio is:

### PART A: Merger of ITI Securities with ITI Capital Holdings

- a) (NIL) 3% Cumulative Redeemable Preference Shares of Rs 100/- each fully paid up of ITI Capital Holdings for 1 (One) Equity Share of Rs.10 each fully paid of ITI Securities.
- b) 1 (One) 3% Cumulative Redeemable Preference Shares of Rs 100/- each fully paid up of ITI Capital Holdings for 1 (One) 3% Cumulative Redeemable Preference Shares of Rs 100/- each fully paid of ITI Securities.
