Sub. :Clarification on Grant of Patent

Dear Sir,

This is with reference to your email dated 29th September 2016 regarding impact/relevance on grant of patent titled "**Self Destructive Irreversible Security Packaging Film**" Patent No. 9421575 from the United States Patent Office.

We would like to inform you that, the Company is one of world's premiere manufacturers of Water Soluble Films, used for packaging various products, like, but not limited to, Agro-chem, Seeds, Detergents, Glass Cleaners, Floor cleaners etc. US is the biggest market for the end products.

The patented product, will ensure that goods sold in grey market, and Brand counterfeiting is identified and controlled. The patent also discloses how this product can be made.

The Impact of this patent grant is that, the company will now be able to market these patented products to various FMCG companies, Agro-chem companies etc. in the US.

The world's number one manufacturer is in the US and Japan. Their clients are FMCG companies, and Agro-chem companies. Once the advantages of a security Water Soluble Film is proven, then these end user companies will either buy the Water Soluble Film with security elements from us or ask the Water Soluble Film manufacturing companies to take a license from us. This may have a good impact on the revenue streams.

The patent is valid till 16th April 2026.

Thanking you,

Yours faithfully,

For **Arrow Greentech Limited**
