6 The Board of Directors at their meeting considered and recommended a final dividend aggregating Rs 22,656 million i.e. Rs 75 per share (Nominal value Rs 5.00 per share) (Previous Year Rs. 10,573 million i.e. Rs 35 per share) for the financial year 2016-17.

7 In earlier years, pursuant to Court orders, the Haryana State Industrial & Infrastructure Development Corporation Limited ("HSIIDC") had raised demands amounting to Rs 10,317 million towards enhanced compensation to landowners for the Company's freehold land at Manesar, Haryana. Against this, the Company has made a payment of Rs 3,742 million under protest and capitalised it as part of the cost of land. In previous year, the Punjab & Haryana High Court ("High Court") set aside the above orders and referred the matter back to the District Court, Gurgaon for fresh adjudication. An appeal was preferred by the land owners against the order of the High Court in Supreme Court. Supreme Court has set aside the order of High Court and has remanded the case back to the High Court for fresh adjudication.

8 Based on technical evaluation and market considerations, the Company has, with effect from 1st April 2016, revised the estimated useful life of dies & jigs and intangible assets from 4 years to 5 years. This has resulted in depreciation being lower by Rs 567 million for the current quarter and by Rs 2,718 million in current year with a corresponding increase in profit for the quarter and for the year respectively.

9 The figures of the last quarter are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year.

10 The figures of previous periods have been re-grouped, wherever necessary, to conform to the current quarter's classification.
