LIMITED REVIEW REPORT

To

The Board of Directors of

M/s. Neyveli Lignite Corporation Limited

We have reviewed the accompanying statement of unaudited financial results of ***M/s. Neyveli Lignite Corporation Limited*** for the period ended 31st December 2015. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Without qualifying our report, we draw attention to the following:

- a. The company has not given effect to the CERC tariff order dated 10.07.2015 for Barsingsar Thermal Power Station for the period from the date of COD to 31.03.2014. The order has the effect of reducing the sale of power by Rs. 15140 lakhs upto 31.12.2015 and increase in interest expenditure of Rs. 4443 lakhs – Refer Note No. (ii)

- b. The company has not given effect to the CERC tariff order dated 05.08.2015 in respect of adoption of applicable Corporate Tax Rate as against Minimum Alternate Tax Rate on ROE. The order has the effect of reducing the sale of power by Rs. 5556 lakhs and increasing the interest expenditure by Rs. 2055 lakhs – Refer Note No. (iv)
- c. The company has not given effect to the order of CERC dated 21.01.2016 regarding the refund of the incentive earned for the excess generation of power over and above the contemplated PLF in TPS – II and also passing of the additional profit earned by sale of lignite to outside agencies over and above the capacity utilization factor of 85% of Mine – II Expansion. The order has the effect of reducing the sale of power by Rs. 45440 Lakhs – Refer Note No. (vi)
- d. The company has not made any provision against its investment of Rs. 1277 lakhs in the Joint Venture Company M/s. MNH Shakti Limited – Refer Note No. (ix)

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards as per Section 133 of the Companies Act, 2013, ready with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
