The payment of each dividend is subject to the Company being satisfied that the following conditions are met:

- the Company will meet the solvency requirements under Companies (Guernsey) Law, immediately after the payment of the dividend;
- the Company’s total indebtedness will be less than one-third of the Company’s total capitalisation after the payment of the relevant interim dividend.

The decision as to whether PSH pays a dividend in the future will be made by the PSH Board with the consent of the Investment Manager. While PSH intends to pay a quarterly dividend going forward, there is no guarantee that PSH will continue to do so. PSH’s Board’s decision to pay a dividend should not be interpreted to mean that PSH will be profitable in the future.
