The repayment terms, which were originally structured as a bullet repayment at the end of the tenor, have been amended to allow for redemption upon receipt of receivables, enabling partial repayments.

The details of the amendment are as follows:

I Original Repayment Term: Bullet Repayment at the end of Tenor of the NCD

Amended Repayment Term: Redemption upon receipt of Receivables from the Pledged/Charged Securities

II Reason for Amendment: The receivables from the hypothecated/pledged and charged securities are realized from time to time, and therefore, the amended repayment structure aligns the repayment of the NCDs with the underlying cash flows.

We have taken all necessary steps to ensure compliance with the applicable laws, including informing the Debenture holders and obtaining their consent where required.
