LETTER FROM THE CHAIRMAN

and

**NOTICE OF
THE THIRTY EIGHTH
ANNUAL GENERAL MEETING**

**to be held on Friday 18 July 2014 at 11.00 a.m. in
The Four Seasons Hotel, Simmonscourt Road,
Ballsbridge, Dublin 4.**

17 June 2014

To the Shareholders of DCC plc

Dear Shareholder

The Notice of the Thirty Eighth Annual General Meeting of DCC plc to be held on Friday 18 July 2014 at 11.00 a.m. in The Four Seasons Hotel, Simmonscourt Road, Ballsbridge, Dublin 4, Ireland is set out on pages 6 to 10 of this document.

The resolutions to be proposed at the Annual General Meeting are set out in detail in the Notice and explanatory notes on the resolutions are set out below.

Ordinary Business (Resolutions 1 to 7)

Resolution 1 – Financial Statements

Resolution 1 deals with the consideration of the financial statements of the Company for the year ended 31 March 2014. A full copy of the 2014 Annual Report and Accounts is available on the Company's website www.dcc.ie.

Resolution 2 – Dividend

Resolution 2 deals with the declaration of a final dividend of 50.73 pence per ordinary share for the year ended 31 March 2014. If approved, the final dividend will be paid on 24 July 2014 to shareholders on the register at the close of business on 30 May 2014. This will give a total dividend for the year of 76.85 pence per ordinary share, which represents a 10% increase on the prior year.

Resolutions 3 and 4 – Remuneration Report and Remuneration Policy

Resolution 3 deals with the consideration of the Remuneration Report (excluding the Remuneration Policy referred to in Resolution 4) as set out on pages 89 to 108 of the 2014 Annual Report and Accounts.

Resolution 4 deals with the consideration of the Remuneration Policy as set out on pages 91 to 97 of the 2014 Annual Report and Accounts.

Since 2009, it has been the Board's practice to put the Remuneration Report to a shareholder vote even though there was no legal obligation to do so. UK incorporated companies are required, under new regulations which came into force on 1 October 2013, to offer to shareholders a binding vote on the directors' remuneration policy and an annual advisory vote on the directors' remuneration report on the implementation of the directors' remuneration policy. The Company continues to feel that it is appropriate to place similar resolutions before shareholders although, as DCC plc is an Irish incorporated company, such resolutions will be 'advisory' resolutions only and are not binding on the Company. DCC believes that such resolutions are an appropriate acknowledgement of a shareholder's right to have a 'say on pay'.

Resolution 5 – Re-election of Directors

Resolution 5 deals with the proposed re-election of all of the Directors. Since 2008, it has been the Board's practice that all Directors will submit to re-election at each Annual General Meeting. This practice meets the requirement that all directors are subject to annual election by shareholders, as set out in the UK Corporate Governance Code.

The Board undertakes a formal annual evaluation of its Directors and is satisfied that all of the Directors proposed for re-election performed effectively in offering independent and constructive challenge to management, have made a valuable contribution to strategy development and have committed sufficient time to discharge their responsibilities effectively.

Brief biographies of the Directors, including their key strengths and experience relevant to their role as Directors, are set out on pages 78 and 79 of the 2014 Annual Report and Accounts.

The re-election of each Director will be considered separately.

Shareholders are asked to note that in a Stock Exchange Announcement dated 16 June 2014, DCC announced the appointment of John Moloney as Chairman Designate to succeed me as Chairman. I have been Chairman since May 2008 and I intend to retire from the Board in September 2014, having been first appointed in September 2005.

Resolution 6 – Remuneration of the Auditors

Resolution 6 authorises the Directors to determine the remuneration of the Auditors.

Resolution 7 – Ordinary remuneration payable to the non-executive Directors

Ordinary remuneration refers to the basic fees paid to the non-executive Directors and excludes additional fees for membership of or chairmanship of Board Committees and Chairman, Deputy Chairman and Senior Independent Director fees. The aggregate of basic fees currently paid to the non-executive Directors is €480,000, compared to the limit of €575,000 as approved at the Annual General Meeting of the Company held on 16 July 2010.

There have been no increases in the basic or additional fees since 1 April 2009, with the exception of the fee for the Chairman of the Remuneration Committee which increased from €5,000 to €7,500 on 1 January 2012.

Resolution 7 will be proposed as an Ordinary Resolution to increase the limit on the aggregate of the ordinary remuneration payable to non-executive Directors to €650,000, from €575,000.

The purpose of this Resolution is to facilitate the co-option of additional directors, as the need arises, and an increase in the basic fee payable to non-executive Directors, should this be thought fit.

Special Business (Resolutions 8 to 13)

Resolutions 8 to 13 in the Notice of Meeting seek your approval for a number of items of special business.

Resolutions 8 to 10 are the usual annual resolutions which relate to the share capital of the Company and propose to renew authorities previously approved by shareholders. The Directors will exercise these authorities only if they consider it to be in the best interests of shareholders generally at that time.

Resolution 11 relates to the fixing of the price range in which treasury shares may be re-issued.

Resolution 12 relates to the notice period for the convening of an extraordinary general meeting.

Resolution 13 relates to proposed amendments to the DCC plc Long Term Incentive Plan 2009.

Each of these resolutions 8 to 13 is dealt with in more detail below.

Resolution 8 – Authority to allot shares

Resolution 8 will be proposed as an Ordinary Resolution to authorise the Directors to allot shares up to an aggregate nominal amount of €7,352,400, representing approximately one third of the Company's issued share capital on 17 June 2014.

This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 17 October 2015.

Resolution 9 – Disapplication of pre-emption rights

Resolution 9 will be proposed as a Special Resolution to renew the Directors' authority to issue shares for cash other than strictly pro-rata to existing shareholdings. The proposed authority is limited to the allotment of shares in specific circumstances relating to rights issues or any other issues up to an aggregate nominal amount of €1,102,800, representing approximately 5% of the Company's issued share capital on 17 June 2014.

This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 17 October 2015.

Resolution 10 – Authority to purchase own shares

Resolution 10 will be proposed as a Special Resolution to renew the authority of the Company, or any subsidiary, to make market purchases of up to 10% of the aggregate nominal value of the Company's issued share capital and to hold these shares as treasury shares or cancel them at the Directors' discretion. The resolution also sets out the minimum and maximum prices that may be paid for shares purchased in this manner.

If the Directors were to exercise the authority being renewed by this resolution up to the maximum number of shares allowed and to cancel such shares and all other shares held in treasury, the total number of options to subscribe for ordinary shares in the Company (which, on 17 June 2014, is 1,461,593, representing 1.7% of the issued share capital) would represent 1.9% of the issued share capital.

This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 17 January 2016.

Resolution 11 – Re-issue price of treasury shares

Resolution 11 will be proposed as a Special Resolution to authorise the Company to re-issue treasury shares off-market at certain specified minimum and maximum prices.

This authority will, if renewed, expire on the earlier of the date of the next Annual General Meeting of the Company or 17 January 2016.

Resolution 12 – Notice period for extraordinary general meetings

Resolution 12 will be proposed as a Special Resolution to maintain the existing authority in the Articles of Association that allows the Company to convene an extraordinary general meeting on 14 days' notice where the purpose of the meeting is to consider an ordinary resolution.

Resolution 13 – Proposed Amendments to the DCC plc Long Term Incentive Plan 2009

Resolution 13 will be proposed as an Ordinary Resolution to amend the DCC plc Long Term Incentive Plan 2009.

As set out in the Remuneration Report on pages 89 to 108 of the 2014 Annual Report and Accounts, over the past year, the Remuneration Committee of the Board has carried out a detailed review of the remuneration structures in place with particular reference to the DCC plc Long Term Incentive Plan 2009 ("LTIP"). The principal objectives of the LTIP are to support the continued delivery of long term sustainable value to shareholders and to attract, retain and motivate key individual executives by rewarding them in a fair and balanced way for the successful implementation of strategy.

Arising from the review, the Remuneration Committee has concluded that there is a need to make changes to the LTIP to ensure that it:

- meets its stated objectives;
- better reflects DCC's strategic objectives, in particular return on capital employed;
- better balances our executive remuneration towards the long term and so ensures the alignment of executives' interests with those of our shareholders;
- aligns reward levels with market practice, to ensure the attraction and retention of key individuals; and
- reflects best practice in delivering pay for performance, with particular regard to the extension of the vesting period and the introduction of clawback.

A letter setting out the background to and details of the proposed changes to the LTIP was sent, on behalf of the Remuneration Committee, to the Company's major shareholders (representing over 33% of the issued share capital), to the Association of British Insurers and to various proxy voting agencies. The Chairman of the Remuneration Committee and I subsequently engaged with these shareholders and with a number of these organisations to hear their views on the proposed changes. This engagement was constructive and helpful to the Remuneration Committee. The feedback received from shareholders and the organisations was taken into account in formulating the final proposals.

The key changes being proposed to the LTIP, which are detailed on pages 98 to 100 of the 2014 Annual Report and Accounts, are as follows:

- An increase in the level of maximum annual award to 200% of base pay.

For awards to be made during the year to 31 March 2015, the Remuneration Committee's current intention is that the maximum level of award will be 175% of base pay.

- The addition of Return on Capital Employed ("ROCE") as a performance condition.

- The performance conditions are to be weighted and allocated as to 40% to ROCE, 40% to earnings per share (“EPS”) and 20% to total shareholder return (“TSR”).
- The Company’s ROCE is to be measured against the Company's weighted average cost of capital (“WACC”) with vesting determined by reference to the extent that ROCE exceeds WACC over the performance period as follows:-

Percentage excess over WACC	Proportion of the total Award which Vests
Below percentage (being 5% or more) set as Threshold	0%
At percentage set as Threshold	10%
Between percentage set as Threshold and percentage set as Maximum	Between 10% - 40% pro rata on a straight line basis
Above percentage set as Maximum	40%

The Remuneration Committee will set Threshold and Maximum percentages at the time of each award in the light of development activity, including any significant corporate transactions and three year plans for the Group.

For awards to be made in the year to 31 March 2015, the Remuneration Committee has set Threshold and Maximum percentages, the effect of which is to set threshold vesting at ROCE of 13% and maximum vesting at ROCE of 17%.

- The EPS performance condition is to be amended to relate to the UK retail price index (“RPI”) with vesting determined as follows:-

Company’s annualised EPS growth in excess of the annualised change in RPI	Proportion of the total Award which Vests
Less than 3 percentage points	0%
At 3 percentage points (“the Threshold”)	10%
Between the Threshold and the Maximum (as defined below)	Between 10% - 40% pro rata on a straight line basis
At or above the Maximum	40%

For these purposes, the Maximum will be the number of percentage points (greater than 3) to be determined by the Committee at the time of any award in the light of the Group’s development activity, including any significant corporate transactions and three year plans for the Group, and prevailing business and economic circumstances.

For awards to be made during the year to 31 March 2015, the Remuneration Committee has set a Maximum of 7% per annum compound.

- TSR is to be measured against the FTSE 350 Index with vesting determined as follows:-

Company’s TSR	Proportion of the total Award which Vests
Below the FTSE 350 Index (“the Threshold”)	0%
At the Threshold	5%
Between the Threshold and the Maximum (the FTSE 350 Index plus 8% P.A. Compound)	5% - 20% pro rata on a straight line basis
At or above the Maximum	20%

- The effect of the above changes is that if the relevant thresholds in the performance conditions are met but not exceeded, 25% of the awards will vest.
- The vesting period is lengthened to five years, expiring two years after the end of the performance period, which remains at three years.
- The calibration ranges for the ROCE and the EPS performance conditions will be reviewed each year by the Remuneration Committee to ensure appropriate levels of stretch and incentivisation.
- The performance conditions and their relative weighting may be modified by the Remuneration Committee in accordance with the Rules of the LTIP, provided they remain no less challenging and are aligned with the interests of the Company's shareholders.
- For participants below Board level, the Remuneration Committee will have discretion to introduce additional specific divisional ROCE and profit growth performance conditions, provided that they remain no less challenging and are aligned with the interests of the Company's shareholders. These additional conditions will not account for more than 20% of vesting with a corresponding reduction in the percentage of vesting dependent on the ROCE performance condition.
- Clawback arrangements are being introduced to allow the Remuneration Committee to reduce or impose further conditions on awards prior to vesting in the event of certain circumstances including material restatement of the Company's audited financial statements, a material breach of applicable health and safety regulations or business or reputational damage to the Company or a subsidiary arising from a criminal offence, serious misconduct or gross negligence by the individual executive.

A copy of the LTIP Rules incorporating these changes is available for inspection at the registered office of the Company during normal business hours and on the Company's website www.dcc.ie and will also be available at least 15 minutes before and up to the start of the Annual General Meeting.

Michael Buckley

 - (i) if there shall be more than one dealing reported for the day, the average of the prices at which such dealings took place; or
 - (ii) if there shall be only one dealing reported for the day, the price at which such dealing took place; or

11. To propose and consider and, if thought fit, to approve the following as a Special Resolution:

“That for the purposes of Section 209 of the Companies Act, 1990 (the “1990 Act”), the re-issue price range at which ordinary shares of €0.25 in the capital of the Company (“Shares”) held as treasury shares (as defined by the said Section 209) (“Treasury Shares”) may be re-issued off-market shall be as follows:

- (a) the maximum price at which a Treasury Share may be re-issued off-market shall be an amount equal to 120% of the Appropriate Price; and
- (b) the minimum price at which a Treasury Share may be re-issued off-market shall be an amount equal to 95% of the Appropriate Price,

provided that if Treasury Shares (including Treasury Shares held by the Company at the date of passing of this Resolution) are being re-issued for the purposes of either the DCC plc 1998 Employee Share Option Scheme or the DCC plc Long Term Incentive Plan 2009, the re-issue price shall be the issue or subscription price provided for in such Scheme or Plan.

For the purposes of this Resolution the expression “Appropriate Price” shall mean an amount equal to the average of the five amounts resulting from determining whichever of the following ((i), (ii) or (iii) specified below) in relation to the Shares of the same class as the Treasury Share being re-issued shall be appropriate for each of the five business days immediately preceding the day on which the Treasury Share is re-issued as determined from the information published in The Daily Official List of the London Stock Exchange reporting the business done on each of those five business days:

- (i) if there shall be more than one dealing reported for the day, the average of the prices at which such dealings took place; or
- (ii) if there shall be only one dealing reported for the day, the price at which such dealing took place; or
- (iii) if there shall not be any dealing reported for the day, the average of the high and low market guide prices for that day and if there shall be only a high (but not a low) or a low (but not a high) market guide price reported, or if there shall not be any market guide price reported for any particular day, then that day shall not count as one of the said five business days for the purposes of determining the Appropriate Price.

If the means of providing the foregoing information as to dealings and prices by reference to which the Appropriate Price is to be determined is altered or is replaced by some other means, then the Appropriate Price shall be determined on the basis of the equivalent information published by the relevant authority in relation to dealings on the London Stock Exchange or its equivalent.

This resolution shall continue in effect until the close of business on the earlier of the date of the next Annual General Meeting of the Company or 17 January 2016 unless previously varied or renewed in accordance with the provisions of Section 209 of the 1990 Act.”

12. To propose and consider and, if thought fit, to approve the following as a Special Resolution:

“That a general meeting, other than an Annual General Meeting and other than a meeting called for the passing of a special resolution, may be called on not less than fourteen clear days’ notice.”

13. To propose and consider and, if thought fit, to approve the following as an Ordinary Resolution:

“That the Remuneration Committee of the Board be and is hereby authorised to amend the DCC plc Long Term Incentive Plan 2009 so as to incorporate the changes described in the letter from the Chairman of the Company to the shareholders accompanying the notice of this meeting and which changes are set out in the provisions of a document entitled “Rules of The DCC plc Long Term Incentive Plan 2009” which document has been available for inspection prior to the Annual General Meeting”.
