Review Report on Un-audited Standalone Financial Results

To the Board of Directors of
Quint Digital Limited

1. We have reviewed the accompanying Statement of Un-audited Standalone Financial Results of **Quint Digital Limited** ("the Company") for the quarter ended June 30, 2026 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').

2. This Statement which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34') prescribed under Section 133 of the Companies Act, 2013 ("the Act"), other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

2 The above Un-audited Standalone Financial Results for the quarter ended June 30, 2026, were reviewed by the Audit Committee and have been approved by the Board of Directors at their meeting held on August 07, 2026. The Statutory Auditors of the Quint Digital Limited ('the Company' or 'the QDL') have carried out a Limited Review of these Un-audited Standalone Financial Results pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

3 The Un-audited Standalone Financial Results for the quarter ended June 30, 2026, are available on the website of the Company (www.quintdigital.in) and on the stock exchange website (www.bseindia.com).

4 On completion of the vesting period for stock options granted pursuant to the QDL Employee Stock Option Plan (ESOP), the Board of Directors vide their approval dated April 06, 2026, allotted 25,500 equity shares of the Company.

5 a. Pursuant to the aforesaid Amended Agreement, effective from October 01, 2025, GMT took majority control over the Board of Directors of QT Inc. 7 During the previous years, the Company realized significant income from financial assets (including investments) due to which the income from financial assets of the Company became more than 50 percent of the gross income and the Company's financial assets became more than 50 percent of the total assets as at March 31, 2026 and as at March 31, 2025 respectively.

During the previous year, the Company obtained an external legal opinion in relation to the said matter and as per said opinion, Company having met the 50% threshold criteria during the aforesaid periods, may be viewed in the context of extraordinary and non-recurring circumstances and Company is presently not required to obtain any registration as a Non-Banking Financial Company ('NBFC') under Section 45-IA of the Reserve Bank of India Act, 1934, provided such thresholds are not persistently breached in future periods.

Considering the management forecasts, the Company's management anticipates that the operational income would exceed more than 50 percent of the gross income and financial assets threshold would be within prescribed thresholds for ensuing financial years, and accordingly this has been considered as a non-recurring scenario, and not reflective of the Company's core operations or long-term business model.

The management continues to monitor the position on an ongoing basis to ensure compliance with applicable regulatory requirements.

8 During the previous year, the Government of India has subsumed 29 existing labour laws into a unified framework through four Labour Codes, which became effective from November 21, 2025. The Ministry of Labour & Employment notified Central Rules and published FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and taken the incremental impact of these changes on the basis of the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Accordingly, the Company has recognised a financial impact of Rs. 15.77 lakhs in the year ended March 31, 2026, which is primarily arising from the change in the definition of wages. The said incremental impact has been disclosed under 'Exceptional Items' during the year ended March 31, 2026 in the Standalone Financial Results.

9 The Board of Directors, at their meeting held on April 30, 2025, and the Members of the Company at the 40th Annual General Meeting held on September 16, 2025, approved raising capital by way of issuance of equity shares and/or equity linked securities by way of Qualified Institutions Placement ("QIP") for an aggregate amount not exceeding Rs. 25,000 lakhs, in one or more tranches, subject to the approval of the Regulatory Authority. This matter does not have any impact on the standalone financial results for the quarter ended June 30, 2026.

10 Currently, the equity shares of the Company are listed on the Bombay Stock Exchange (BSE). The Board of Directors, in their meeting held on April 30, 2025, approved the proposal for listing the equity shares of the Company on National Stock Exchange (NSE). The listing is subject to necessary approvals from the stock exchange(s) and the regulatory authorities. This proposed listing does not have any impact on the standalone financial results for the quarter ended June 30, 2026.

6 During the previous year, the Parent invested an additional amount of Rs 7,478.83 lakhs to acquire additional 2,481,800 common stock of Lee Enterprises Inc, US.

7 The Board of Directors of the Parent, at their meeting held on May 27, 2025, approved the Parent's entry into a Master Franchise Agreement with Time Out Market Limited and a Time Out Franchise Agreement with Time Out England Limited (both incorporated in England and Wales, respectively) for the launch of "Time Out India". In association with the aforesaid entities of Time Out Group:

a. During the current quarter, the Parent officially launched "Time Out Media" in India, a digital platform curated by local influencers that serves as a guide to Indian cities.

b. The Parent is advancing India's first "Time Out Market" at Worldmark Aerocity, New Delhi, an experiential food and cultural destination bringing together the best food, beverages and cultural experiences under one roof. The project is expected to commence revenue operations during the current financial year.

8 During the previous years, the Parent realized significant income from financial assets (including investments) due to which the income from financial assets of the Parent became more than 50 percent of the gross income and the Parent's financial assets became more than 50 percent of the total assets as at March 31, 2026 and as at March 31, 2025 respectively.

During the previous year, the Parent obtained an external legal opinion in relation to the said matter and as per said opinion, Parent having met the 50% threshold criteria during the aforesaid periods, may be viewed in the context of extraordinary and non-recurring circumstances and Parent is presently not required to obtain any registration as a Non-Banking Financial Company ('NBFC') under Section 45-IA of the Reserve Bank of India Act, 1934, provided such thresholds are not persistently breached in future periods.

Considering the management forecasts, the Parent's management anticipates that the operational income would exceed more than 50 percent of the gross income and financial assets threshold would be within prescribed thresholds for ensuing financial years, and accordingly this has been considered as a non-recurring scenario, and not reflective of the Parent's core operations or long-term business model.

The management continues to monitor the position on an ongoing basis to ensure compliance with applicable regulatory requirements.

9 During the previous year, the Government of India has subsumed 29 existing labour laws into a unified framework through four Labour Codes, which became effective from November 21, 2025. The Ministry of Labour & Employment notified Central Rules and published FAQs to enable assessment of the financial impact due to changes in regulations. The Group has assessed and taken the incremental impact of these changes on the basis of the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Accordingly, the Group has recognised a financial impact of Rs. 15.77 lakhs in the year ended March 31, 2026, which is primarily arising from the change in the definition of wages. The said incremental impact has been disclosed under 'Exceptional Items' during the year ended March 31, 2026 in the Consolidated Financial Results.
