Dear Sirs,

Sub: Disruption in Roorkee (Uttarakhand) Plant

Dear Sirs,

This has reference to your queries.

The clarifications are given below:

1. This is in the nature of industrial unrest which may have impact on production. If there be any damage to property on account of this unrest, the same is covered by Insurance.

2. As mentioned in our letter this disruption is not likely to have any material financial impact in the short run as the company has adequate inventory and has alternative options of production. Therefore the need for quantification of any loss at this stage does not arise.

If there is any material development, we will keep the stock exchanges informed.

Thanking you,

Yours faithfully,
For TTK Prestige Limited
