Notes to above results :

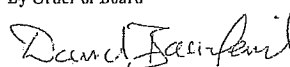

(Rs in lakhs)

1. The above financial results of Cambridge Solutions Limited ('the Company') and its subsidiaries (together 'the Group') have been reviewed and recommended by the Audit Committee, and approved by the Board of Directors ('the Board') on November 11, 2011, and a limited review has been carried out by the statutory auditors of the Company.
2. Up to the period ended September 30, 2011 the Company/ Group was organised into two business segments, viz., Information Technology and related services ('IT') and Business Process Outsourcing ('BPO'). The segments were identified and reported considering industry segments of customers, risks and returns, organisation structure and internal financial reporting systems. As all businesses under BPO segment of the Company/ Group have been disposed of during the period, the BPO segment is disclosed as discontinued operations under segment reporting.
3. Cambridge Integrated Services Group Inc, USA, a wholly owned subsidiary ('CISGI'), entered into agreements dated May 31, 2011 with Sedgwick Claims Management Services, Inc, USA for the sale of its workers' compensation and third party administration operations. Subsequently, on August 31, 2011, the Company has sold its investment in CISGI (refer note 6). Pursuant to the above, CISGI operations have been considered as discontinued operations from the quarter ended June 30, 2011.
4. The Company had issued a corporate guarantee in favour of Xchanging UK Limited, UK, a fellow subsidiary ('XUK'), in connection with a loan aggregating to US\$ 65.6 million (Rs.29,336) granted between 2009 and 2010 to CISGI. On June 10, 2011, XUK called the loan amount. CISGI replied that it would not be able to repay loan. Thereafter, XUK, invoked the corporate guarantee on the Company. The Board, in the meeting held on June 10, 2011, acknowledged the liability of US\$ 65.6 million (Rs.29,336) to XUK on account of invocation of the corporate guarantee and the rights of XUK were subrogated to the Company (which was reflected as an asset recoverable from CISGI in recognition of the legal right). In order to honour the financial commitment arising out of invocation of corporate guarantee, various alternatives were explored by the Board and following decisions were approved:
  - (a). The Company entered into a Business Transfer Agreement with Xchanging Technology Services India Private Limited, India, a fellow subsidiary ('XTSI'), for sale of its India BPO business including its Investments in Cambridge Builders Private Limited ('CBPL'), a wholly owned subsidiary of the Company on a slump sale basis for consideration of Rs.29,980. The transaction has been approved by the Board in the meeting held on June 13, 2011. Thereafter, a postal ballot process for shareholders approval was initiated on June 18, 2011 and completed on July 19, 2011. The transaction was finally concluded on July 21, 2011. The Company has recognised a profit on sale of assets of Rs 25,391. Due to certain procedural matters relating to approval from authorities of Special Economic Zone (SEZ), the legal ownership of CBPL has not been transferred to date, but management control has been transferred to XTSI effective July 21, 2011. The Company has received confirmation from the Office of Development Commissioner SEZ vide their letter dated September 29, 2011 for proposed transfer of legal ownership. Though there is no specific requirement under SEZ Act to take Board of Approval (BOA) approval before transferring legal ownership; however, as a matter of abundant caution, the Company is in process of seeking clarity on this matter and in due course, the legal ownership of CBPL will be transferred. Pursuant to the above, the India BPO business has been considered as discontinued operations from quarter ended June 30, 2011.
  - (b). The Company entered into a Share Purchase Agreement with Xchanging Procurement Pty Limited, Australia, a fellow subsidiary, for sale of shares held by the Company in Cambridge Integrated Services Victoria Pty Ltd, Australia, a wholly owned subsidiary of the Company ('CISV'), for a consideration of US\$ 16.7 million (Rs.7,459). The transaction has been approved by the Board in the meeting held on June 13, 2011. The initial Investment value of Rs.2,406 was increased pursuant to a Court merger scheme in an earlier year by Rs.6,374. Accordingly, the transaction has led to a loss of Rs.1,322. On the other hand, in the consolidated results for the quarter ended June 30, 2011, the above sale has generated a loss of Rs.3,315 (after release of credit under foreign currency translation reserve of Rs.1,939). Pursuant to the above, BPO Australia business has been considered as discontinued operations from quarter ended June 30, 2011.
5. The Board of Directors in its meeting held on August 12, 2011, approved the conversion of subrogated right (refer note 4) of US\$ 65.6 million into the equity shares of CISGI for an equivalent amount and accordingly the shareholder funds in CISGI Balance Sheet has increased by US\$65.6 million. The Company has made relevant filings with the Authorised Dealer Bank in relation to such conversion. However, Accounting Standard 13 requires recognition of investment at fair value in case of acquisition of investment in exchange of other assets. In compliance with aforesaid accounting standard, the Company has recorded the investment at a Nil value and balance amount of US\$ 65.6 million has been recorded as loss on fair value accounting of investments.
6. The Board of Directors in its meeting held on August 30, 2011, approved the sale of entire shareholding in CISGI to Waltham Holdings Limited, Jersey, Channel Islands (a related entity of the ultimate holding company) for a consideration of US\$ 1000.
7. The Company has investments amounting to Rs.6,768 in Scandent Group, Inc., USA ('SG Inc'), a wholly owned subsidiary. Further, the Company has granted loans and advances aggregating to Rs.1,7283 and also has receivables (net of payables) from the subsidiary amounting to Rs.2,651. Based on an evaluation, the Company has made a provision of Rs.17,533 against the loans, advances and receivables. The Company considers SG Inc a strategic long term investment and based on future growth projections, in the opinion of the management, the aforesaid investments and receivables are considered good and recoverable.
8. Based on the orders of the Debt Recovery Tribunal, the Company had issued duplicate debenture certificates for 625,000 debentures of face value of Rs.100 each in favour of a Bank in June 2007. These debentures were redeemed in June 2007 and the same was disclosed in the annual report for the year ending March 2007. In August 2007, a civil suit was filed against the Company with the Hon'ble Madras High Court by another company claiming rights over those debentures. The Management and Directors of the Company have recently become aware that the Hon'ble High Court passed an Interim Order in September 2007 restraining the Company from reflecting the redemption of debentures and directing the Company to continue to show it as due and payable. The said Order was made absolute in December 2010. The Company, in consultation with a senior legal counsel, has filed an appeal against the interim order of the Hon'ble High Court, as the debentures had already been reflected as redeemed in the Company's accounts. Since it is not possible to show the debentures as due and payable, the Company is awaiting the decision of the Hon'ble High Court in the Company's appeal, pending which, no adjustment has been made in the accounts.
9. Subsequent to the quarter ended September 30, 2011, the Board of Directors at its meeting held on October 27, 2011 has approved the sale of investment in its indirect wholly owned subsidiary Cambridge Solution SARL France for a nominal consideration of Euro 1. On the date of sale the Company's subsidiary Cambridge Solutions Europe Ltd, U.K. has an investment of GBP 0.45 million in Cambridge Solution SARL France. Resultant loss on sale of investment will be booked in the quarter ended December 31, 2011. Cambridge Solution SARL France ceases to be a subsidiary of the Group with effect from October 28, 2011.

10. Exceptional items as per consolidated results of the group comprises the following:
