Limited Review Report

1. We have reviewed the accompanying statement of unaudited financial results for the quarter ended 30th June, 2013 ("the statement") of Unitech Limited ("the company") except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our Responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "review of interim financial information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

3. Without qualifying our opinion, we draw attention to the following:
- (a) No adjustment for recoverability of balance of short term loans aggregating to ₹ 382.83 crores (previous year ended on 31st March 2013 ₹ 367.45 crores) and investments in share capital / projects aggregating to ₹ 27.44 crores (Previous year ended on 31st March 2013 ₹ 27.40 crores) as the matters are sub-judice and the impact, if any, is unascertainable at this stage;
 - (b) Refer note 3 to the statement, in respect of investment in Unitech wireless companies, related settlement and future contractual investment obligation of ₹ 923.94 crores (previous year ended on 31st March 2013 ₹ 923.94 crores). As explained to us, the management is not currently in a position to ascertain how and in which group company the aforesaid obligation is likely to devolve and thus, the consequent impact, if any, on the financial statements in future of the company or subsidiaries / affiliates / nominees as the case may be, is currently not ascertainable. Further, in the event of settlement not going through between the company and Telenor Asia Pte. Ltd., the impact, if any, on the financial statements is also currently not ascertainable.
- 4 Advances amounting to ₹ 919.55 crores (previous year ended on 31st March 2013 ₹ 924.88 crores) is outstanding in respect of advances for purchase of land, projects pending commencement, joint ventures and collaborators which, as represented by the management, have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. However, considering that some of these advances are outstanding / unadjusted for long periods of time, we are unable to ascertain whether all these advances are fully recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining advances are subsequently determined to be doubtful of recovery.
5. Based on our review conducted, subject to our observation in the preceding paragraph, nothing further has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting
-

Standards) Rules, 2006 as per Section 211(3C) of the Companies Act, 1956 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material mis-statement.
