Sub: Extension for Declaring Annual Results

Dear Sir/ Madam,

We refer to our Communication to the Stock Exchange on 21st May 2018; we had intimated that our Result will be disseminated on 30th May 2018. Since the Company has suffered from Ransom ware Virus attack on our data server and all of the data are showing as encrypted mode. We were anticipating that everything will be normal and we will able to submit the results on time. Due to technical glitch we could not compile the data on time.

However as per the Notice communicated to the exchange on 21st May 2018 the Company had held its Board Meeting and the matter was placed before the Board. The Board after a brief discussion decided to request the Stock Exchange to grant one month extension as the Company is trying its best to immediately redress the problem and will submit the Results as soon as possible. We have filled FIR to Cyber Crime dated 03.04.2018.

Hope you will understand our problem.

Thanking You,

For Pansari Developers Limited
