Members in Jaishankar's delegation to UK test Covid positive, schedule modified

PRESS TRUST OF INDIA
London, May 5

dant caution".
"Was made aware yesterday evening of exposure to possible

MEMBERS OF THE small delegation accompanying external affairs minister S Jaishankar to the UK have tested positive for Covid-19, forcing the minister to take his remaining schedule here, including his in-person meetings at a G7 gathering, virtual as a "measure of abun-

Covid positive cases," Jaishankar said on Twitter on Wednesday. "As a measure of abundant caution and also out of consideration for others, I decided to conduct my engagements in the virtual mode. That will be the case with the G7 Meeting today as well," he said. According to numerous sources, two members of the delegation tested positive on Tuesday with further

test results still awaited.

Jaishankar was to join ministers from the other G-7 guest nations for the first formal gathering of the summit over a working dinner on Tuesday evening and further meetings on Wednesday.

"We deeply regret that Foreign Minister Dr Jaishankar will be unable to attend the meeting today in person and will now

attend virtually, but this is exactly why we have put in place strict Covid protocols and daily testing," a senior UK diplomat at the Foreign, Commonwealth and Development Office (FCDO) said.

A bilateral meeting scheduled with UK Foreign Secretary Dominic Raab at Chevening in Kent on Thursday is also expected to take on a virtual form. Jaishankar had arrived in London on Monday for a four-day visit at the invitation of Raab to join the G7 Foreign and Development Ministers Meeting as one of the guest ministers.

"The addition of our friends from Australia, India, the Repub-

lic of Korea and South Africa, as well as the chair of ASEAN (Association of Southeast Asian Nations) reflects the growing significance of the Indo Pacific region for the G7," said Raab.

The Indian delegation, yet to attend the G7 meeting at Lancaster House in London, is not seen as posing a risk to the summit itself.

At their other meetings held over the past few days, strict social distancing and mask-wearing were observed throughout and therefore Public Health England (PHE) have reportedly determined the risk to those in the meetings as low and not requiring self-isolation.

Microsoft committed to use its resources to support Covid relief efforts in India: CEO Satya Nadella

PRESS TRUST OF INDIA
Washington, May 5

MICROSOFT CEO SATYA Nadella on Wednesday said the US technology giant is committed to use its resources to support the pandemic relief efforts in India and it is mobilising to address the country's most urgent needs.

India is struggling with a second wave of the pandemic with more than 3,00,000 daily new coronavirus cases being reported in the past few days, and hospitals are reeling under a shortage of medical oxygen and beds.

"We are committed to using our resources to support pandemic relief efforts in India and are mobilising to address the country's most urgent needs, partnering across the business community with US Chambers (of Commerce) to provide critical medical supplies," 53-year-old India-born Nadella said.

Microsoft, which has several thousand employees across 11 locations in India, and many more in other countries with families in India, on Wednesday became a founding member of the Global Task Force on Pandemic Response and announced a series of assistance towards Covid-19 relief in India.

"Our thoughts are with the millions who are impacted, including their relatives living abroad. Microsoft has had a presence in India for nearly three decades and our teams in the country play an important role for the company that stretches well beyond India's borders," said Kate Behncken, vice president and lead of

Microsoft Philanthropies.

In a blog post, Behncken said Microsoft has taken two steps to help address the severe shortage of oxygen for patients in India.

As part of the Global Task Force on Pandemic Response, through a significant financial donation from Microsoft Philanthropies, it has joined with other companies to purchase 1,000 much-needed ventilators for hospitals in India.

Second, as part of the task force, it is working with the US-India Strategic Partnership Forum and other companies to provide 25,000 oxygen concentration devices to health care facilities in India, Behncken said.

Over the last week, Microsoft employees have already raised over \$3 million (including Microsoft's matched contribution) for organisations working on the ground in India, including Oxfam India and UNICEF.

Behncken said Microsoft ensures that every commercial and government organisation in India has free access to the full capabilities of Microsoft teams as they respond to changing conditions on the ground.

Three more Rafale jets head for India; to take IAF's count to 21

PRESS TRUST OF INDIA
New Delhi, May 5

THE SIXTH BATCH of three more Rafale fighter jets took off from France for India on Wednesday, the Indian embassy in France said.

They will be part of the Indian Air Force's second squadron of the Rafale jets.

"Next batch of three #Rafales leave from France to India today; wished the pilots smooth flight and safe landing," the Indian embassy in France tweeted.

After the arrival of the new batch, the number of Rafale jets with the IAF will go up to 21.

The new squadron of

Rafale jets will be based in Hasimara airbase in West Bengal.

The first Rafale squadron is based in Ambala air force station. A squadron comprises around 18 aircraft.

India had signed an inter-governmental agreement with France in September 2016 for the procurement of 36 Rafale fighter jets at a cost of around \$58,000 crore.

The first batch of five Rafale jets arrived in India on July 29 last. The fifth batch had landed on April 21.

Last month, Chief of Air Staff Air Chief Marshal RKS Bhadauria visited France, during which he took stock of the delivery of the remaining Rafale aircraft to India.

Pandemic moving eastwards: Health ministry

A RISE IN the number of daily Covid-19 cases and mortality has been observed in Assam, West Bengal, Odisha, Bihar and Jharkhand, indicating the pandemic is moving eastwards, the Union Health Ministry said on Wednesday.

To review arrangements for containment and management of the Covid-19 infection, a high-level meeting was held by Union Health Secretary Rajesh Bhushan and Member (Health), NITI Aayog Dr. Vinod K Paul with these five states.

"Evidence suggests that the pandemic is moving eastwards and a rise has been observed in the number of daily cases in these states along with rising mortality," the ministry said.

Five critical areas of action were discussed for addressing the needs and challenges of the recent phase of the Covid-19 pandemic in these states, which have seen an unprecedented surge in the number of daily cases and increased mortality.

Underscoring the critical importance of human resources in providing health services and clinical management of the severe Covid patients in the hospitals, the states were advised to ensure that performance-linked payments of the Community Health Officers at the Ayushman Bharat Health and Wellness Centres and the incentives to the ANMs and other health workers are paid timely, the statement stated.
