**Independent Auditors' Review Report on Standalone Quarterly Financial Results of
the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and
Disclosure Requirements) Regulations, 2015**

To the Resolution Professional of Vikas WSP Limited

IP Registration No. IBBI/IPA-002/IP-N00326/2017-18/10931

1. We have reviewed the accompanying Statement of unaudited standalone financial results ("the Statement") of Vikas WSP Limited ("the Company") for the quarter and half year ended September 30th, 2021 being submitted by the Company pursuant to the requirement of regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. The National Company Law Tribunal ("NCLT"), Chandigarh Bench, vide their order delivered on February 2nd, 2022 ("Insolvency Commencement Date") has admitted the petition filed by financial creditor of the company for initiation of Corporate Insolvency Resolution Process ("CIRP") u/s 7 of the Insolvency and Bankruptcy Code, 2016 ("the code") and has appointed Mr. Darshan Singh Anand, Registration No. IBBI/IPA-002/IP-N00326/2017-18/10931 as Interim Resolution Professional ("IRP") to manage the affairs of the company in accordance with the provisions of the code. In the second meeting of Committee of Creditors ("COC") held on March 17th, 2022, Mr. Darshan Singh Anand has been confirmed as Resolution Professional ("RP") for the company. Pursuant to NCLT order for commencement of CIRP and in line with the provisions of the Code, the powers of the Board of directors shall stand suspended and be exercised by IRP/RP.

3. The preparation of the statement is in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued there under and other accounting principles generally accepted in India, read with the circular is the responsibility of the company's management and has been approved by the Resolution Professional. Our responsibility is to express a conclusion on the statement based on our review.
4. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to the inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. Bases for Qualified Conclusion

- (i) *For the reasons mentioned in Note No. 4 of the statement, the company continues not to assess the impairment of the carrying value of the tangible assets. Therefore, we are unable to comment on the consequential impairment, if any, that is required to be made in the carrying value of property, plant and equipment.*
- (ii) *For the reasons mentioned in Note No. 6 of the statement, the company continues not to assess the impairment of the fair value of the financial instruments. Therefore, we are unable to comment on the consequential impairment, if any, that is required to be made in the fair value of financial assets and financial liabilities.*

(iii) As mentioned in Note No. 2 of the statement, "the financial creditors and the operational creditors, as part of CIRP have submitted their claims to IRP which is under reconciliation with the amounts as appearing in the books of accounts. Accordingly, to the extent the process for submission and reconciliation of claims as on the Insolvency Commencement Date remains an ongoing process, no provision/ accounting adjustments are made in the books of accounts in respect of excess/ short or non receipt of claims in the case of financial and operational creditors." Hence, consequential impact, if any, on the financial results is not currently ascertainable.

(iv) We have been informed by the Resolution professional that certain information including the minutes of meetings of Committee of Creditors and the outcome of certain procedures carried out as a part of CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosures, if any, that may arise if we have been provided access to those information.

6. Emphasis of Matter

- (i) We draw your attention to Note No. 3 of the statement, "As per the code, it is required that the company be managed as a going concern during CIRP. Further, under the CIRP, a resolution plan needs to be presented to and approved by the COC, post which it will need to be approved by NCLT to keep the company as a going concern. While the long term prospects of the company may be dependant upon expeditious completion of CIRP process, in view of the above facts and continuing operations of the company, the financial statements have been prepared on going concern basis." However there exists material uncertainty about the Company's ability to continue as a going concern since the same is dependant upon the resolution plan to be formulated and approved by NCLT. The appropriateness of the preparation of

the financial statements on going concern basis is critically dependant upon CIRP as specified in the Code.

Our conclusion is not modified in respect of the above said matter.

7. Based on our review conducted as above, *except for possible effects of our observations described in the Basis of Qualified Conclusion paragraph 5 above and read with our comments in paragraph 6 above along with notes to the statement*, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards, as specified in Section 133 of the Companies Act, 2013 ("the Act"), read with related SEBI Circulars, other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with related SEBI circulars, including the manner in which it is to be disclosed, or that it contains any material misstatement.

This above Statement of Unaudited Financial Results for the quarter ended September 30, 2021 ("the Statement") were placed before the now suspended Board/ Coordination meeting of the Audit Committee and directors of the company (suspended during CIRP) in their meeting held on 20-05-2022 for their consideration. Accordingly, pending approval on the resolution plan by Honourable NCLT, the CIRP period continues to be in effect.
