Notes:

- The financial results have been reviewed by the Audit Committee on 12.2.2012 and approved by the Board of Directors at the meeting held on 13.2.2012.
- During the quarter ended 31st December, 2011, the company has not received any investor's complaints. There were no investor's complaints pending at the beginning of the quarter or lying unresolved at the end of the quarter.
- The above results have been reviewed by the Statutory Auditors of the Company.
- Statutory renewal fees of mines have been capitalised as Intangible Assets, which will be amortized over the lease period.
- Figures of the previous year/period have been regrouped or rearranged wherever necessary.

THE LIMITED REVIEW ON THE FINANCIAL RESULTS OF THE ORISSA MINERALS
DEVELOPMENT COMPANY LIMITED FOR THE NINE MONTHS ENDED 31ST
DECEMBER, 2011.

We have reviewed the accompanying statement of unaudited financial results of THE ORISSA MINERALS DEVELOPMENT COMPANY LIMITED for the period ended 31ST December, 2011 except for the disclosures regarding 'Public Shareholding' and Promoter and Promoter Group Shareholding which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibilities of the Company's Management and has been approved by the Board of Directors/ committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagement to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, we observed that, amortization of lease premium for mines, rates of depreciation on different fixed assets, valuation of stock in trade and the payment of conveyance expenses to attend board meetings need to be checked thoroughly for future accounting as necessary, besides, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.
