Review report

To

The Board of Directors of

The Orissa Minerals Development Company Limited

We have reviewed the accompanying statement of unaudited financial results of The Orissa Minerals Development Company Ltd. ("the Company") for the period ended 30th June, 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, subject to the followings -

- (i) **Note 1 of the financial results, which states that company's mining operations are under suspension due to non availability of statutory clearances. Mining leases are in process of renewal and accordingly, the financial results have been prepared on going concern basis.**
- (ii) **Out of 263.507 Acres of Land, Lease Deed / Title Deeds in respect of only 195.959 Acres were available with the Company out of which 3.663 Acres of private land has been occupied by the Company and 41.766 Acres of Patta Land had been occupied by outsider unauthorized.**

Nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
