SoftTech Engineers Limited Moved to New Office

SoftTech Engineers Limited (SoftTech), a software product innovator and leader in the AEC technology domain, has got the new corporate address. The Company, which has been headquartered in Pune, India has announced the shifting of its registered office to new office premises at SoftTech Towers, Opp. Royal Enfield Showroom, 1-Baner, Baner Road, Pune: 411045 with effect from 15th January, 2021. This seven-storey building pens a new chapter for success and growth in the journey of SoftTech Engineers Limited. Especially, this office has a dedicated floor to be used as technology start-up incubator.

Commenting on this new development, Mr. Vijay Gupta, Founder and Managing Director, SoftTech Engineers Limited, said, “We are very much excited with the opening our new office with best of the class infrastructure. We were planning to shift to this location at the beginning of 2020; however, things got delayed due to COVID-19. The new office space doubles the office footprint and supports the company’s exponential growth strategy especially in overseas market in next 2-3 years.”

Adding to this, Ms. Priti Gupta, Whole Time Director, SoftTech Engineers Limited, commented, “We have been waiting for this moment for a long time now, and finally, it has indeed become a reality. I would like to thank all our SoftTech team members for their continued support towards the company’s objectives and goals. After the COVID-19 pandemic, this development has really boosted our confidence and energy.”
