ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item Nos. 1 & 2:

Your Company operates through its subsidiary, Next Radio Limited ("NRL"), in which it holds 76.73% of the total paid-up capital. NRL is engaged in the business of FM Radio broadcasting. NRL was among the first private players to venture into private FM Radio broadcasting and has established "Radio One" as India's only differentiated network in the top 7 cities of the country viz. Delhi, Mumbai, Chennai, Kolkata, Bangalore, Pune, and Ahmedabad. NRL currently operates under frequency 94.3 MHz in all its cities except for the city of Ahmedabad where it operates under the frequency 95 MHz.

During the financial year 2014-15, NRL's income from operations saw an increase of 11% and stood at Rs. 65.42 Crores (*Previous Year: Rs. 58.96 Crores*). Further, NRL also witnessed a major turnaround, posting a profit of Rs. 2.01 Crores (after tax) during 2014-15, for the first time since it ventured into the broadcasting business, against a loss of Rs. 99 Lacs for the previous year.

During the financial year 2014-15, the Ministry of Information & Broadcasting ("MIB") cleared the proposal for migration of existing radio licenses from Phase II to Phase III and e-auctions in 69 cities for new 135 frequencies. Post completion of the e-auction process, NRL shall be required to migrate to Phase III and shall be required to pay migration fees estimated to be over Rs. 100 crores for the existing licenses. Upon migration, the existing licenses shall stand renewed for a period of 15 years. In addition to the renewal fees, NRL will also require funds for meeting capital expenditure and other administrative costs post migration and also to participate in auctions involving new cities.

According to the FICCI-KPMG Indian Media and Entertainment Industry Report 2015, the radio industry outperformed all other traditional media segments by clocking a growth of 17.6 per cent in F.Y. 2014 over F.Y. 2013. There has been a tendency to shift focus from nationwide pure brand-building to more tactical, local, focused promotional targeting. This has played in radio's favour as it enables local reach to advertisers increasingly looking to target specific audiences and at affordable pricing. The Board believes that though radio as a medium, is well penetrated in the metros and non-metro cities in India, the share of radio advertising is projected to be upwards of 4% of the total advertising revenues. The share of radio advertising is expected to improve, giving a boost to the radio revenues. This offers a huge opportunity to NRL to explore and improve revenues and profitability during the license period of 15 years post renewal.

NRL has, over the last six months, approached several banks and equity investors for raising the funds required as explained above. However, NRL in its current form, has faced difficulty in arranging funds on its own, due to its inability to provide sufficient tangible collateral, as required by the Lenders. Without the requisite tangible collateral, it would be impossible for NRL to raise the necessary funds, which creates a grave risk to the continuity of the operations of NRL, effectively badly affecting the future of NRL.

After extensive exploration of the financial markets through its Investment Bankers, NRL proposes to raise the funds required in the following manner:

- a) Debt from Ratnakar Bank Limited ("RBL" or "Lender") to the extent of Rs. 80 crores;**
- b) Issue of Convertible Preference Shares to Mr. Rakesh Jhunjunwala and/or Mrs. Rekha Jhunjunwala for Rs. 25 crores;**
- c) Internal cash generation to the extent of the remaining Rs. 10 crores;**
- d) Any additional requirement of the funds shall be met through a combination of the above;**
- e) In addition, Mr. Rakesh Jhunjunwala and/or Mrs. Rekha Jhunjunwala has agreed to arrange tangible securities (shares of blue-chip listed companies) worth Rs. 100 crores and Mr. Tariq Ansari and his family members will arrange tangible securities (debt mutual funds) worth Rs. 20 crores; further Mr. Rakesh Jhunjunwala and/or Mrs. Rekha Jhunjunwala and Mr. Tariq Ansari and his family members will also provide guarantees for securing the bank facilities.**

In addition, the following security is also being provided to RBL:

- 1. Negative lien, in favour of the Lender, on the Radio Licences held by NRL;**
- 2. Corporate Guarantee by Next Mediaworks Limited ("the Company") in favour of the Lender;**
- 3. Creation of Pledge, in favour of Lender, on 40,048,127 (Four Crores Forty Eighty Thousand One Hundred and Twenty Seven) equity shares of NRL (representing 30% of the total paid-up share capital of NRL) held by the Company;**
- 4. Non-disposal Undertaking in favour of the Lender, in respect of 28,033,689 (Two Crores Eighty Lacs Thirty Three Thousand Six Hundred and Eighty Nine) equity shares of NRL (representing 21% of the total paid-up share capital of NRL) held by the Company;**
- 5. Creation of Charge, in favour of the Lender, on the Company's immovable properties situated at Tardeo, Mumbai, Maharashtra.**

The Company also proposes to create a second charge on the assets of the Company as also a giving a Corporate Guarantee, in favour Mr. Rakesh Jhunjunwala and/or Mrs. Rekha Jhunjunwala. Subsequent to the completion of the proposed transaction as above, the holding of the Company in NRL shall stand reduced to about 51.40%.

The Board of Directors (the "Board"), on the recommendation of the Audit Committee, at its meeting held on 18th June 2015 has approved providing of the aforementioned security in favour of the Lender and Mr. Rakesh Jhunjunwala and/or Mrs. Rekha Jhunjunwala, for securing the financial facilities to be availed by NRL.

In terms of the provisions of Section 186 of the Companies Act, 2013 ('the Act'), where giving of any loan or guarantee or providing any security or the acquisition of securities exceeds (a) sixty percent of the aggregate of the paid-up capital and free reserves and securities premium account, or (b) hundred percent of its free reserves and securities premium account, whichever is more, prior approval of the shareholders is required by means of passing a special resolution. Further, the giving of guarantee and providing of security, as detailed above, to NRL may qualify as 'Material Related Party Transaction' pursuant to revised Clause 49 of the Listing Agreement.

Section 180(1)(a) of the Companies Act, 2013 provides that a company shall not sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking(s) of the Company without the consent of its members in a general meeting. As explained above, the Company is creating charge on its immovable properties in favour of the Lenders for securing financial assistance for an amount not exceeding Rs. 300 Crores from the Lenders, which might be considered as disposal of the Company's undertaking within the meaning of 180(1)(a) of the Companies Act, 2013, requiring the members' consent for the same.

In view of the above, shareholders' approval is being sought (i) pursuant to Section 186 of the Act and Clause 49 of the Listing Agreement for giving loans / providing guarantee / security in connection with loans availed / to be availed by subsidiary company(ies) or making investments in the Company's subsidiaries (ii) pursuant to Section 180(1)(a) of the Companies Act, 2013 for creating charge on the Company's properties.

Your Directors recommend the resolutions at Item Nos. 1 and 2 for your approval.

None of the Directors, Key Managerial Personnel or their relatives are in any way concerned or interested, financially or otherwise in this resolution except as members.
