

## argenx to Present at 2021 Wedbush PacGrow Virtual Healthcare Conference

August 4, 2021

**Breda, the Netherlands** – argenx (Euronext & Nasdaq: ARGX), a global immunology company committed to improving the lives of people suffering from severe autoimmune diseases and cancer, today announced that members of management will participate in a fireside chat at the 2021 Wedbush PacGrow Virtual Healthcare Conference on Wednesday, August 11, 2021 at 11:30 a.m. ET.

A live webcast of the presentation may be accessed on the Investors section of the argenx website at [argenx.com/investors](https://www.argenx.com/investors). A replay of the webcast will be available on the argenx website for approximately 90 days following the call.

### About argenx

argenx is a global immunology company committed to improving the lives of people suffering from severe autoimmune diseases and cancer. Partnering with leading academic researchers through its Immunology Innovation Program (IIP), argenx aims to translate immunology breakthroughs into a world-class portfolio of novel antibody-based medicines. argenx is evaluating efgartigimod in multiple serious autoimmune diseases. argenx is also advancing several earlier stage experimental medicines within its therapeutic franchises. argenx has offices in Belgium, the United States, Japan, and Switzerland.
