# To holders of Ordinary Shares ('Shareholders') and for information only to holders of depositary interests issued by Capita IRG Trustees Limited in respect of Ordinary Shares ('Depositary Interests Holders').

12 April 2017

Dear Shareholder

I am writing on behalf of the Board to provide an explanation of the business to be considered at the forthcoming Annual General Meeting ('AGM') of Hiscox Ltd (the 'Company'). The formal notice convening this meeting is set out at the end of this letter.

## Location

The AGM will be held at the Elbow Beach Hotel, 60 South Shore Road, Paget PG 04, Bermuda on 18 May 2017 at 12.30 pm. For the convenience of our European Shareholders, they may attend the AGM via a video link at the Group's London office, 1 Great St Helen's, London EC3A 6HX on 18 May 2017 at 4.30 pm (BST).

## Business of the AGM

The following business will be proposed at the AGM:

### Resolution 1

#### Approval of the Report and Accounts

The Directors of the Company (the 'Directors') present to Shareholders the Report and Accounts for the year ended 31 December 2016.

### Resolution 2

#### Approval of the Directors' remuneration policy

The Directors seek approval of the Remuneration policy which can be found on pages 76 to 84 of the Report and Accounts. As the Company is incorporated under the laws of Bermuda it is not subject to the requirements imposed on UK-incorporated companies to submit their remuneration policy to a binding vote of shareholders. Nonetheless, the Company is on a voluntary basis, submitting a revised forward-looking remuneration policy which is intended to take effect from 18 May 2017. This is submitted to a vote of shareholders on an advisory basis as part of a regular three-year renewal process. The current policy was approved by shareholders in May 2014, however, following shareholder consultation, a number of additional restrictions to the policy were introduced for 2015 (including holding periods on performance shares, clawback provisions and bonus caps). These restrictions have now been formally incorporated into the policy. However, in all other respects the revised policy is largely unchanged. The Remuneration Committee is confident that this remuneration approach continues to support the strategic ambitions of the Group and is aligned with shareholders' interests. Recent consultations with shareholders have confirmed this view.

### Resolution 3

#### Approval of the Annual report on remuneration 2016

The Directors seek approval of the Annual report on remuneration for the year ended 31 December 2016 which can be found on pages 85 to 91 of the Report and Accounts. This vote is advisory.

### Resolution 4

#### Approval of the final dividend.

A final dividend of 19 pence per share was recommended by the Board and, subject to shareholder approval, will be paid on 20 June 2017 to shareholders on the register on 12 May 2017. The dividend cannot exceed the amount recommended by the Directors. The dividend is to be paid in cash in respect of each

Ordinary Share and Depositary Interest, other than those Ordinary Shares and Depositary Interests in respect of which a valid election has been made in relation to the scrip dividend alternative approved at the AGM held in 2016. Further details regarding the dividend alternative, including the procedure to be followed in order to make an election, will be contained in a circular to be sent to shareholders on 4 May 2017. A copy of the circular will also be posted on the Company's website at [www.hiscoxgroup.com/investors/dividend-information](http://www.hiscoxgroup.com/investors/dividend-information). The deadline for making an election for the scrip alternative so that it will apply is 19 May 2017. Shareholders who have already elected the scrip dividend alternative do not need to take further action.

## Resolutions 5 to 15

### Re-appointment of Directors

The Bye-Laws require that a Director shall retire from office if he has been appointed by the Board since the previous AGM or it is the third AGM following that at which he was last re-appointed. However, in accordance with the UK Corporate Governance Code, all of the Directors will, being eligible, offer themselves for re-appointment at the AGM. Biographical details of each Director can be found at pages 54 to 55 of the Report and Accounts. The Chairman and the Board have considered the individual skills, experience and attributes of each Director. The Board considers that the composition of the Board is well balanced and therefore recommends the re-appointment of each Director at the AGM. Hamayou Akbar (Aki) Hussain was appointed to the Board during the year and is standing for re-appointment by Shareholders for the first time. Aki joined Hiscox as Chief Financial Officer and a Director of the Company with effect from 12 September 2016. He was previously with Prudential plc where he spent seven years; latterly as Chief Financial Officer of Prudential UK and Europe. The Board believes that Aki's skills, experience and knowledge as described in his biography on page 54 of the Report and Accounts, are of great benefit to the Board and the Company. Following formal performance evaluation, the Chairman has confirmed in respect of all Directors offering themselves for re-appointment at the AGM that their performance continues to be effective and to demonstrate commitment to the role.

### Resolution 16 and 17

#### Approval of the Auditors' re-appointment and setting of their remuneration

The Board proposes that PricewaterhouseCoopers Ltd. be re-appointed as auditors of the Company for the 2017 financial year and that the Audit Committee be authorised to negotiate and agree the audit fee for the 2017 financial year.

### Resolution 18

#### To authorise the allotment of relevant securities

Authority was granted to the Directors at the Annual General Meeting held on 19 May 2016 in accordance with Bye-Law 5(b) of the Company's Bye-Laws to allot relevant securities without the prior consent of Shareholders up to a maximum nominal amount of £6,180,760 and an additional nominal amount of £6,180,760 in connection with a Rights Issue for a period expiring at the conclusion of the next Annual General Meeting or, if earlier, on 1 July 2017.

The Directors consider it appropriate to renew this authority at the forthcoming AGM. In accordance with the institutional guidelines issued by the Investment Association, the proposed new authority will allow the Directors to allot relevant securities equal to an amount of up to one third of the Company's existing ordinary issued share capital plus, in the case of a fully pre-emptive

Rights Issue only, a further amount of up to an additional one third of the Company's existing issued ordinary share capital (in each case excluding any shares held in treasury).

The proposed new authority will expire at the conclusion of the 2018 Annual General Meeting of the Company or, if earlier, on 1 July 2018. It is the current intention to renew this authority annually. The Directors have no present intention to allot shares other than in connection with employee share schemes and the scrip dividend alternative. However, if they do exercise the authority, the Directors intend to follow best practice as regards its use, as recommended by the Investment Association.

The nominal amount of securities to which the new authority will relate represents approximately one third (£6,190,315, 33.33%), or up to two thirds (£12,380,630, 66.66%) in the case of a fully pre-emptive Rights Issue only, of the Company's issued ordinary share capital (excluding shares held in treasury) as at 10 April 2017 (being the latest practicable date prior to publication of this circular). As at 10 April 2017, the Company's issued ordinary share capital amounted to £19,061,808 comprising 293,258,599 ordinary shares and the Company held 7,523,190 ordinary shares in treasury, representing 2.56% of the Company's issued ordinary share capital as at 10 April 2017.

## **Resolution 19**

### **To dis-apply pre-emption rights**

Resolution 19 is proposed as a special resolution in accordance with Bye-Law 7(a) of the Company's Bye-Laws to authorise the Directors to allot equity securities for cash without first being required to offer such shares to existing Shareholders. This authority will expire at the conclusion of the next Annual General Meeting or, if earlier, on 1 July 2018, although it is the Directors' current intention to seek renewal of this authority annually.

The £928,640 nominal amount of equity securities to which this authority relates represents approximately 5% of the nominal amount of the issued ordinary share capital of the Company (excluding treasury shares) as at 10 April 2017 (being the latest practicable date prior to publication of this circular). The Directors have no current intention of exercising this authority. The Directors do not intend to issue more than 7.5% of the issued ordinary share capital of the Company for cash, on a non pre-emptive basis, in any rolling three-year period without prior consultation with Shareholders, the Investment Association and the Pension and Lifetime Savings Association.

## **Resolution 20**

### **To authorise the Company to purchase its own Ordinary Shares**

Resolution 20 is proposed as a special resolution in accordance with Bye-Law 9(a) of the Company's Bye-Laws to give the Company a general authority to make market purchases of its own shares. The maximum number of shares that the Company may purchase under this authority will be 28,573,541 Ordinary Shares representing approximately 10% of the nominal amount of the issued ordinary capital of the Company (excluding shares held in treasury) on 10 April 2017. The resolution also sets out the maximum and minimum price which the Company may pay for those shares. Any shares purchased under this authority will be cancelled or held in treasury.

The total number of shares over which an option under an employee share scheme exists as at 10 April 2017 (being the latest practicable date prior to the publication of this circular) is 11,865,466 representing 4.2% of the Company's issued ordinary share capital (excluding shares held in treasury). Although the

authority being sought at the AGM is in place of that granted at the previous AGM if, for the purposes of Listing Rule 13.7.1(1) (f), the authority given by this resolution and that granted at the previous AGM were aggregated and fully utilised, these shares would represent 19.98% of the Company's issued ordinary share capital (excluding shares held in treasury) at that date.

This authority will expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, on 1 July 2018 although it is the Directors' current intention to seek renewal of this authority annually. The power given by the resolution will only be exercised if the Directors are satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of Shareholders. The Directors will also give careful consideration to gearing levels of the Company and its general financial position.

## **Recommendation**

The Board believes that the proposed resolutions as set out in the Notice of AGM are in the best interests of the Company and the Shareholders as a whole and the Board recommends that the Shareholders vote in favour of the resolutions. Each Director who holds shares in the Company intends to vote in favour of the resolutions.

## **ACTION TO BE TAKEN**

### Notes

1. Every Shareholder has the right to appoint some other person(s) of their choice, who need not be a Shareholder, as his proxy to attend, speak and vote on their behalf at the Annual General Meeting. A member entitled to attend and vote at the Annual General Meeting may appoint one or more proxies (who need not be members of the Company) to attend, speak and vote on his or her behalf. A Shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. In order to be valid, any appointment of proxy (and the power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority) must be undertaken in accordance with these notes and the notes set out on the accompanying Form of Proxy and returned in hard copy form by post, by courier or by hand, to the Company's registrars' UK agent, Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF United Kingdom, not later than 48 hours before the time for holding the Annual General Meeting (or in the event that the Annual General Meeting is adjourned, 48 hours before the time of any adjourned meeting).
2. Return of the Form of Proxy will not preclude a member from attending the Meeting and voting in person.
3. In accordance with Bye-Law 41 of the Company's Bye-Laws, only those members entered on the Register of Members of

the Company as at close of business UK time on 16 May 2017 (or in the event that the Meeting is adjourned, 2.00 pm (6.00 pm (BST)) on the date two days before the date of any adjourned Meeting) as the holder of ordinary shares, their validly appointed proxies and validly appointed Depositary Proxies shall be entitled to attend or vote at the Meeting in respect of the number of ordinary shares registered in the member's name (or in the name of the Depositary as the case may be) at that time. Changes to entries on the Register of Members after close of business UK time on 16 May 2017 (or in the event that the Meeting is adjourned, close of business UK time on the date two days before the date of any adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.

4. A Depositary Interest Holder who is a CREST member and who wishes to appoint, or to give instruction to, the Depositary through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 12.30 pm (4.30 pm (BST)) on 15 May 2017 (or, if the meeting is adjourned, 72 hours before the time fixed for the adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
5. As at 10 April 2017 (being the last practicable business day prior to the publication of this Notice) the Company's issued share capital is 293,258,599 ordinary shares carrying one vote each of which 7,523,190 are held in treasury. Therefore the total exercisable voting rights in the Company as at 10 April 2017 is 285,735,409.
