ATLANTIA: SALE OF ITS 17.2% STAKE IN LUSOPONTE COMPLETED

Rome, 10 February 2022 – Atlantia announces that it has today completed the sale of its minority stake in the Portuguese concessionaire Lusoponte (equal to 17.21% of the share capital and voting rights) to Lineas Concessões De Transportes S.A. and VINCI Highways SAS.

The two purchasers, which are already shareholders in Lusoponte, have exercised their pre-emption right (under the terms of the current shareholders' agreements) to acquire the stake.

The collection at closing for the sale is equal to € 54 million, including the ticking fee and net of dividends received from the date of signing.

The sale of Lusoponte forms part of Atlantia's strategy aimed at rationalising its portfolio and disposing of non-strategic investments.
