Corporate Communication

Vikas GlobalOne Limited was incorporated in 1984 in New Delhi. The company is engaged in the business of manufacturing and distribution of Specialty Polymers Compounds and Niche range of Specialty Additives. The company manufactures high end quality products used in agricultural pipes, auto parts, wires and cables, artificial leather, footwear components, pharmaceutical and packaging industries. The company also acts as a distributor for various global conglomerates with a wide product line in Specialty Chemicals and Polymer Compounds.

The company's manufacturing plants are strategically located in the States of Jammu and Kashmir and Rajasthan in India providing advantages in geographical location with regards to the availability of raw material, tax incentives, subsidy grants as well as the market potential for finished goods. The manufacturing plants are well equipped with the best machinery and technical knowhow available for manufacturing specialty polymer products procured from world's leading suppliers. Also the manufacturing plants are well connected by road, rail as well as air.

The company's products are well received in Indian as well as Global market and the company is very much confident that it can enhance its market share with increased production capacities. The products manufactured by the company are environmental friendly. As part of Green Initiative, the company has set-up a manufacturing facility for recycling plastics.

With the commitment to excellence, the company is glad to announce the recent leaps towards continuous & fast growth.

A) Exports:

- ❖ The exposure to the global markets is extending continuously;
Marked by the Y2Y growth of
75 % in exports comparing FY 2010-11 & 2011-2012.
583 % in exports comparing FY 2011-12 & 2012-2013.
50 % in exports comparing FY 2012-13 & 2013-2014.
Aggregating to a CAGR of 216.11% for the last 3 years.
- ❖ VGL is recognised as "Export House" by the Directorate General of Foreign Trade , Government of India
- ❖ VGL is presently exporting its product to 16 countries around the world.
- ❖ VGL is poised to achieve the status of "Star Export House" during the current Financial Year.
- ❖ Member of "Federation of Indian Exports Organizations" (FIEO), "Confederation of Indian Industry" (CII) and "The Plastics Export promotion Council" (PEPC).

The exponential growth in Exports would lead the company towards:

- ❖ Rs. 30 cr. Increment in the sales revenue in F.Y. 14-15.
 - ❖ Better capacity utilization & increased production.
- Regd. Office :** Vikas House, 34/1, East Punjabi Bagh, New Delhi-110026 (INDIA)

Plant 1 : Industrial Growth Centre, Phase-I, SIDCO Complex, Distt. Samba-184 121 (J&K)

Plant 2 : G-24-30, Vigyan Nagar, RIICO Indl. Area, Shahjahanpur, Distt. Alwar - 301 706 (Raj.)

- Contributing to achieving better economies of scale & a competitive edge in costing of the produce.

❖ Various Export benefits like:

Export Performance incentives, duty free imports of Raw Materials, Special interest rates/Interest subsidies offered to exporters and other host of benefits as offered by Govt. of India.

Presently the Company has already achieved export turnover of Rs. 30 Cr. (approx.) till 31st July, 2014 and is hopeful of continuing with the upward trend for rest of the F.Y. 2014-15.
