About The Adani Group

The Adani Group is one of India's leading business houses with revenue of over \$9.4 billion.

Founded in 1988, Adani has grown to become a global integrated infrastructure player with businesses in key industry verticals - resources, logistics and energy. The integrated model is well adapted to the infrastructure challenges of the emerging economies.

The Group has also made significant inroads in the agri-infrastructure business by setting up grain storage silos and cold storage facilities, catering to storage of apples from Himachal Pradesh. We are a market leader in edible oil business with our Fortune brand of oil leading the pack.

We live in the communities where we operate and take our responsibility to society, seriously. Through Adani Foundation, we ensure development and progress is sustainable and inclusive; not just for the people living in these areas, but the environment on the whole. At Adani, we believe in delivering benefits that transcend our immediate stakeholders.

Resources means obtaining coal from mines and trading; in future it will also include oil and gas production.

Adani is developing and operating mines in India, Indonesia and Australia as well as importing and trading coal from many other countries. Currently, we are one of the largest coal importers in India. We also have extensive interests in oil and gas exploration. Our extractive capacity has increased threefold to 4 MMT in 2014 and we aim to extract 200 MMT per annum by 2020, thereby making Adani one of the largest mining groups in the world.

Logistics denotes a large network of ports, Special Economic Zone (SEZ) and multi-modal logistics - railways and ships.

Adani owns and operates six ports and terminals – Mundra, Dahej and Hazira in Gujarat, Dhamra in Orissa, Mormugao in Goa and Visakhapatnam in Andhra Pradesh, India. Mundra Port, which is the largest port in India, benefits from deep draft, first-class infrastructure and SEZ status. It crossed the 100 MMT mark of cargo handling in FY14. Adani is also developing ports at Tuna Tekra, Kandla in Gujarat and Ennore in Tamil Nadu, India.

Energy involves power generation & transmission and gas distribution.

Adani is the largest private thermal power producer in India with installed capacity of 9,280 MW.

Our three power projects are spread out across the Gujarat, Maharashtra and Rajasthan.

We also provide a range of reliable and environment friendly energy solutions, in the form of CNG and PNG. In fact, the above-mentioned installed capacity also includes a 40 MW solar plant at Bitta, Gujarat.
