Sub: Update on Progress of Capacity Expansion

Dear Sir,

Please refer to our letter dated 7th July, 2016 whereby we have informed that the Company had successfully commenced commercial production for manufacturing of 100 TPD of Polyester Fully Drawn Yarn in March 2016 at its existing unit in Dahej, Gujarat and is also in the process of capacity expansion of value added product – Drawn Textured Yarn (DTY) by installing of 40 Texturising machines. It was also informed that upon completion of this expansion, the manufacturing capacity of DTY will increase by 200 TPD. We have also informed that 12 Texturising machines have been installed on which production of approximate 60 TPD had started and the remaining machines would be installed in phases and likely to be completed by 30th September, 2016.

We are pleased to inform you that the entire 40 Texturising machines have been installed and commercial production has already been started. The manufacturing capacity of DTY has been increased to 200 TPD.

This is for your information please.

Thanking you,

Yours faithfully,
For FILATEX INDIA LIMITED
