Notes :

- The above results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 14.08.2015. This has been subjected to a limited review by the Statutory Auditors.
- The selling price of crude oil is determined at the prevailing international market rates in US Dollars. Fluctuations in the international price of crude oil and Dollar vs Rupee Exchange rates, affect the profitability of the Company.
- The new wells in the Bakrol and Lohar fields are being put on regular production. In the Indrora field, due to the complex nature of the oil and gas bearing payzones, the data continues to be extensively analyzed for optimal well completion and production. This process is expected to take additional time before the wells can be put on regular production.
- Oil and Gas production volumes could be subject to fluctuation during the next several quarters, as field development activities are gradually implemented.
- The Company operates in a single segment of production of Oil and Natural Gas. Therefore, AS-17 on Segment Reporting is not applicable to the Company.

**Limited Review Report to the Board of Directors of
SELAN EXPLORATION TECHNOLOGY for the quarter ended 30th June, 2015**

1. We have reviewed the accompanying statement of un-audited standalone financial results of **Selan Exploration Technology Limited**, for the quarter ended 30th June, 2015 except for the disclosures regarding "Public Shareholding" and "Promoter and Promoter Groups Shareholding" which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors in the meeting held on 14th August, 2015. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review of Interim Financial information performed by the Independent Auditor of the Entity (SRE-2410) issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of un-audited standalone financial results prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
