The quarterly financial results as well as the year to date financial results have been prepared on the basis of interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) for Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued there under; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management.

We believe that our audit provides a reasonable basis for our opinion.

3. We draw attention to the Statement:-

Note No.4: regarding non recognition of liability on account of currency fluctuations on foreign currency loan and interest thereon (as required under Indian Accounting Standard- 21) amounting to Rs. 3420.52 lacs on 31.03.2020 as provided in the BIFR Scheme dated 29.07.2004 and also confirmed by AAIFR and Single Bench of Jharkhand High Court, Ranchi. Note No.5: no provision has been made on penalty recovered by South East Coalfields Ltd. for Rs. 215.28 lacs on account of short lifting of coal quantity in term of FSA, since the matter is pending under writ petition filed by Company before the Hon'ble High Court of Chhattisgarh, Bilaspur the amount has been included in long terms loans and advances.

Note No. 6: regarding non provision of the undernoted items of expense in view of suspension of operations of plant since 10th August, 2013 as well as other reasons contended by the company :-

- a) Interest on unsecured loan from Promoters and other parties from 10.08.2013 to 31.03.2020 (amount unascertained), and

4. Attention is invited to Note No.3 of the financial results on "Rehabilitation Scheme of the Company", the management has explained its reasons for preparing financial statements on 'going concern basis'. The explanation is as under:-

With the revival of the steel industry, considering the substantial accumulated losses, full erosion of working capital and the liabilities including long term borrowings having matured fully along with interest having fallen due, the company has initiated requisite steps for making the plant ready for operations, with a view to generate revenue and make the plant operational. The company has, on 01-04-2017 entered in to a Facility User Agreement with a company specializing in contract manufacturing. Under the said agreement, part of the plant and machinery shall be operated by the said company. With the restart of the plant by them, the management believes that the company shall gradually start earning surplus and losses incurred in past will get wiped out in due course and there after the company will be able to operate in normal course of its business. The financial statements, as such have been prepared on going concern basis on the strength of management's plan of revival including restructuring of liabilities, providing the adequate finance for the operations and reorganization of business of the company.

Our opinion is not modified in respect of this matter since the company contemplates, as explained above, to run and operate the company on going concern basis.
