Sub: Announcement under Regulation 30 of SEBI (LODR) Regulations, 2021- Quarterly Business update

Dear Sir,

As a matter of our prudent practice, we at Ajooni Biotech Ltd would like to share our Quarterly Sales and Full year business-related updates.

For the Quarter ending December 2021, we have done Sales of Rs204mn, more than 26% growth on a YOY basis. For FY 22, our sales have been in range of around Rs738mn, growth of more than 44%

During this quarter, your company has successfully entered in to agreement with IFFCO KISAN for supply of Liquid calcium supplements on a pan India basis. This agreement will offer us good opportunity to scale our business to new highs.

In order to meet the rising demand, we have purchased land near our current facility at Khanna for the expansion of the manufacturing of veterinary products.

We are witnessing good traction with our other client in the last few months and are expecting the same momentum to continue.

During this quarter, some developments that were worth highlighting:

1. Signed an agreement with Balinee milk producer company for supply of cattle feed
2. Also signed an agreement with Saahaj milk producer company for supply of mineral mixture

Please note this data is for your information and records.

Also, this data is subject to Audit, yet to be done by our Internal and Statutory Auditors.

Thanking You,

Yours Faithfully,

For AJOOMI BIOTECH LIMITED
