Dear Sirs,

Re: Stoppage of clinker/cement production at J.K.Cement Works, Muddapur due to Cracks developed in C.F. Silo (Powder Raw Material).

We wish to inform you that at our 3 MnTPA grey cement manufacturing unit viz. J.K.Cement Works, Muddapur, Taluka Mudhol, Dist: Baglakot, Karnataka the C.F. Silo suddenly developed two horizontal cracks. As an abandon precaution and to avoid collateral damage, Kiln production has been temporarily stopped. The Company is getting evaluation done by Experts for Safe operation of the plant and also planning to keep its supply of cement in market by alternative arrangement.

Further, to inform you that M/s. Federal Electricity & Water Authority (FEWA) has recently energized M/s. J.K.Cement Works (Fujairah) FZC's (wholly owned subsidiary of the Company) internal substation to operate on FEWA power which has been hitherto operating on Diesel Generating set.

This is for your kind information and record please.

Yours faithfully,
For J. K. Cement Ltd.

Shambhu Singh

(Shambhu Singh)
Asst. Vice President (Legal) & Company Secretary
