

MITCON to develop master plan for modernization of Deonar Abattoir.

15.11.2013 / Pune

MITCON Consultancy and Engineering Services Ltd has been appointed as consultants for developing master plan (DPR) for modernization of Deonar Abattoir by Ministry of Food Processing Industries, Govt. of India and National Meat Processing Board, New Delhi who recently entered into a tripartite Agreement with MITCON.

Deonar is the Service Abattoir of Municipal Corporation of Greater Mumbai. Originally on the guidelines suggested by F.A.O. Slaughter House Expert Mr. N. E. Wernberg, the M/s. W. J. Powel, Australia has executed the Slaughter House Construction, starting in 1967 while completing in 1971. Since the structure and machineries at Deonar are old, it requires modernization through master planning to introduce better technologies.

Deonar abattoir hosts large variety of domestic animals. This is the biggest slaughter house in Asia. Deonar is the centre of supply of meat throughout Mumbai. Hence its modernization shall serve public good at large.

The Master Plan and modernization at Deonar is meant to provide sustainable abattoir model considering changing demographics besides consumption pattern of Mumbai district. The entire project is planned to cater to demands for the next three decades. A detailed market survey and research will be carried out by MITCON to crystallize demand, capacity of plant and machinery required. High level automatic meat processing facilities, cold storage and incineration facility will be provided to ensure wholesome meat as per FSSAI (Food safety standards Authority of India) to the consumers. It will include best suited state of the art machinery which will take care of local as well as export markets. Special focus will be on operational efficiency, Sewerage treatment and environment management. Special provisions will be made for Eid sacrifices with enhanced capacity. The DPR along with estimated cost will be submitted to Govt of India for considering financial assistance for modernization as per schemes of 12th Five Year Plan.

MITCON has already prepared such plans for Modernization of abattoirs for Ahmednagar District Goat Rearing & Processing Co-operative Federation Ltd. Ahmednagar, Goa Meat Complex Ltd., Panjim, Goa, Aurangabad Municipal Corporation, Aurangabad, Sangamner Municipal Council, Sangamner, Dist. Ahmednagar, Osmanabad Municipal Council, Osmanabad.
