In particular, the shareholders

- approved the re-election of Mr. Sandeep Jalan as Director of Aperam for a term of three years;
- renewed the authorisation of the Board of Directors of the Company to grant Shares Based Incentives.

About Aperam

Aperam is a global player in stainless, electrical and specialty steel and recycling, with customers in over 40 countries. Since January 2022, the business has been organised in four primary reportable divisions: Stainless & Electrical Steel, Services & Solutions, Alloys & Specialties and Recycling & Renewables.

Aperam has a flat Stainless and Electrical steel capacity of 2.5 million tonnes in Brazil and Europe and is a leader in high value specialty products. In addition to its industrial network, spread over six production facilities in Brazil, Belgium and France, Aperam has a highly integrated distribution, processing and services network and a unique capability to produce low carbon footprint stainless and special steels from biomass, stainless steel scrap and high performance alloys scrap. With 5 of its main 6 facilities certified ResponsibleSteel™, Bioenergia and its unique capability to produce charcoal made from its own FSC®-certified forestry and, with ELG, a global leader in collecting, trading, processing and recycling of stainless steel scrap and high performance alloys, Aperam’s places sustainability at the heart of its business, helping customers worldwide to excel in the circular economy.

In 2023, Aperam had sales of EUR 6,592 million and shipments of 2.20 million tonnes.
