Management Comments :

Commenting on Company's performance for the 2HFY18 and full year FY18, the Chairman and Managing Director Mr.Akshay Chhabra said:

"We are happy to share with you the strong financial performance delivered by our company for the 2HFY18 and full year FY18. During this period we have expanded Business services across industries. Our service gamut has widened to cover new age technology from Voice service to Facial Reconition. Our enagement with customers has increased the spread of services there by further deepening the business partnership. We are constantly being recognized by our customers for the transformative work we deliver. We are optimistic that such industry-wide recognition, will go a long way in deepening our engagement with existing clients and enable us to grow business with addition of marquee names.

Company is on its way to increase revenue and profits by adding more business across all domains by leveraging its I.T solutions for the customer enhancement and increasing the competitive edge in the market. We are engaged in bidding for large contracts in the Financial Sector including Large Banks & Financial institutions. Our new Technology solutions we have created a difference for our existing customers helping them improve their business process efficiency and increase ROI. We have also bought down our debt to negligible levels which will add to our profitability .

We aspire to continue our strong growth momentum over the next couple of years and remain focused on growing business operations with higher margins. I thank the entire team of for their constant efforts, sincerity and enthusiasm. Also, I would like to thank our valued Shareholders, who have reposed faith in Company and supported us along with their critical inputs."
