Subject: Proposed Investments and Plans of Creamline Dairy Products Limited

Dear Sir / Madam,

This is to inform you that Creamline Dairy Products Limited ("CDPL"), a Subsidiary of Godrej Agrovat Limited, as a part of its expansion plans, intends to invest Rs.400 Crore (Rupees Four Hundred Crore Only) in 3 (three) greenfield milk processing plants in Tamil Nadu, North Karnataka and Maharashtra over the period of next 3 (three) years.

CDPL had recently acquired a processing plant in Tirunelveli, Tamil Nadu and is in the process of setting up another plant in Vishakhapatnam. The objectives behind this proposed expansion, *inter alia*, include growing the share of value-added milk products. In view of the same, it is expected that the milk processing capacity of CDPL would increase from 12 Lakh litres per day to 15 Lakh litres per day.

Further, CDPL may plan to raise funds through debt or by way of public issue, if required, subject to necessary approvals.

We will keep you posted about the further developments on this subject matter.

We request you to take the above on your records.

Thanking you,

Yours sincerely,

For Creamline Dairy Products Limited

Govind P Shelar
Chief Financial Officer (CFO)
