Dear Sir,

With respect to clarification sought by the exchange through email sent on 28th January, 2020, we would hereby like to clarify as under:

- 1) **Expected quantum of loss/damage caused:** It would be difficult for the Company to quantify the loss at this point of time as Lock out has been declared only on 27th January, 2020.
- 2) **Estimated impact on the production/operations in case of strikes/lock outs:** The Company is making alternate arrangements for contract manufacturing of the products being manufactured at Alibaug Plant to minimise the impact.

Yours faithfully,
For NITCO Limited
