Our responsibility is to express an opinion on these consolidated financial results based on our audit of such consolidated financial statements. Attention is drawn to the fact that the figures for the quarter ended March 31, 2017 as reported in these financial results are the balancing figures in respect of the year ended March 31, 2017 and year to date figures up to the end of the third quarter of the relevant financial years.

2. We conducted our audit in accordance with the auditing standards referred to in the Companies Act, 2013. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results.

An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

We did not audit (a) the financial statements of eleven subsidiaries and 38 JV subsidiaries, whose financial statements reflect total assets of 1232.80 million as at March 31, 2017; as well as the total revenue of 890.73 million for the year ended March 31, 2017, (b) the consolidated financial statements of 29 joint venture, whose financial statements include the Group's shares of net profit after tax of 22.87 million and (c) the Group's share of net profit after tax of 40.57 million in respect of two associates for the year ended on March 31, 2017 as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the year to date results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.
