Dear Sir,

Sub : Disclosure Under Regulation 30 of LODR Regulations 2015

This is to inform you of the successful completion of USFDA inspection of our API manufacturing facilities at Patalganga and Rabale, Navi Mumbai. The routine FDA inspection was conducted at Patalganga facility from 7th to 11th May, 2018 and Kilo Lab facility at Rabale from 14th to 17th May, 2018.

During the audit, the FDA thoroughly inspected Indoco's entire quality management systems to ensure compliance with federal regulations. The inspection included a review of production facility, processes and procedures, training records, quality systems and control procedures.

The Kilo Lab facility received zero 483s from the agency, while its API plant at Patalganga cleared the inspection with 3 observations; none of them are critical or pertain to data integrity.

Thanking you,

Yours faithfully,
For Indoco Remedies Limited

Jayshankar Menon
Company Secretary
