Basis of qualified opinion

We refer to:

1. Note 5 of the financial statements with regard to recognition of deferred tax assets on unabsorbed depreciation, business losses and other timing differences amounting to ₹ 40,908.23 lacs incurred by the Company. However, in our opinion, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, "Accounting for Taxes on Income" (AS 22). Had the aforesaid deferred tax assets not been recognised, loss after tax for the year ended would have been higher by ₹ 40,908.23 lacs.
