Sub.: **Award of Contract**

Dear Sir,

We would like to notify that Alstom has been awarded a contract worth approximately INR 6790 million (i.e. approximately € 85 million) by Bharat Heavy Electricals Limited (BHEL) to supply two 800 MW supercritical boilers for Darlipalli super thermal power project (STPP) located in Sundergarh, in the State of Odisha (India). This project forms part of NTPC Limited's Bulk 800 MW tender. Under the scope of the contract, Alstom - the sole licensor for BHEL supercritical technology - will design the 800 MW supercritical boilers and supply identified pressure parts along with windboxes, pulverizers and airpreheater components. The Group will also assist BHEL with technical advisors during the erection and commissioning of the units. Key components will be manufactured in Alstom's facilities in Concordia and Wellsville, USA, as well as in Durgapur and Shahabad, India. The units are expected to be commissioned starting in 2017.

Out of the entire aforesaid contract, please note that ALSTOM India Limited's scope of work would be approximately INR 3798 million (i.e. approximately €47 million).

A copy of the press release is attached for your reference and records.

This information is being given in accordance with Clause 36 of the Listing Agreement.

Thanking you,

Yours truly,
For **ALSTOM India Ltd.**

Pradeeptha Puhan
Company Secretary
