Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

Pursuant to the provisions of Companies Act and Buyback Regulations, this Explanatory Statement contains relevant and material information to enable the members holding Equity Shares of the Company to consider and approve the special resolution for the Buyback of the Company's Equity Shares.

1. Date of the Board meeting at which the proposal for buy back was approved by the Board of Directors of the Company:

The Board of directors of the Company ("**Board**") at its meeting held on 30th May, 2019 ("**Board Meeting**") has, subject to the approval of the members of the Company by way of a special resolution through Postal Ballot including electronic voting, approved and recommended the proposal of buyback of Equity Shares as per the details mentioned in the Resolution of this notice.

2. Necessity for the Buyback:

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and for returning surplus funds to the members in an effective and efficient manner. The Buyback is being undertaken for the following reasons:

- a. The Buyback will help the Company to return surplus cash to its members;
- b. The Buyback is generally expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base, thereby leading to long term increase in members' value; and
- c. The Buyback gives an option to the members of the Company, either to sell their Equity Shares and receive cash or not to sell their Equity Shares and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

3. Maximum amount required under the Buyback and its percentage of the total paid up capital and free reserves:

The maximum amount of funds required for the Buyback will not exceed Rs. 72,00,00,000/- (Rupees Seventy Two crores only), being 14.85% of the aggregate of the total paid-up capital and free reserves of the Company, which is less than 15% of the aggregate of the total paid-up capital and free reserves of the Company based on the latest audited financial statements of the Company as at 31st March, 2019 (on a standalone basis). The Maximum Buy Back Size does not include Transaction Costs. The Buyback (including Transaction Costs) will be implemented by the Company out of its securities premium account, free reserves and/or such other source as may be permitted under Section 68(1) of the Companies Act and Regulation 4 (ix) of the Buyback Regulations. The Company shall transfer from its free reserves a sum equal to the face value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited financial statements.

4. Maximum Price at which the Equity Shares are proposed to be bought back and the basis of arriving at such price:

The Equity Shares of the Company are proposed to be bought back at a price not exceeding Rs.1,000 (Rupees One Thousand only) per equity share ("**Maximum Buyback Price**"). The Maximum Buyback Price has been arrived at after considering various factors, including average of the weekly high and low of the closing share price of the Equity Shares on the Stock Exchanges, during the two weeks preceding the date of the Board Meeting i.e. 30th May, 2019, the net worth of the Company and the potential impact of the Buyback on the earnings per share and other similar ratios of the Company.

The Maximum Buyback Price represents a premium of 47.16 % and 47.08 % compared to the average of the weekly high and low of the closing prices of the Equity Shares on the BSE and NSE, respectively, during the two weeks preceding the date of the Board Meeting.

The Company confirms that as required under Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up capital and free reserves after the Buyback.

5. Maximum number of Equity Shares that the Company proposes to buyback:

The indicative maximum number of equity shares proposed to be bought at the Maximum Buyback Size and Maximum Buyback Price under the Buyback would be 7,20,000 Equity Shares ("**Maximum Buyback Shares**"), does not exceed 25% of the total paid Equity Share capital of the Company. If the Equity Shares are bought back at a price below the Maximum Buyback Price, the actual number of Equity Shares bought back could exceed the indicative Maximum Buyback Shares (assuming full deployment of Maximum Buyback Size) but will always be subject to the Maximum Buyback Size. Further, the number of Equity Shares to be bought back will not exceed 25% of the total paid up equity capital of the Company.

6. Method to be adopted for Buyback as referred to in Regulation 4(iv)(b) and Regulation 16 of the Buyback Regulations:

The Buyback is open to all members holding Equity Shares in dematerialised form ("Demat Shares"). The promoters, promoter group, and the persons in control of the Company shall not participate in the Buyback. Further, as required under the Companies Act and Buyback Regulations, the Company will not Buyback Equity Shares which are locked-in or non-transferable, until the pendency of such lock-in, or until the time such Equity Shares become transferable, as applicable.

The Buyback will be implemented by the Company by way of open market purchases through the Stock Exchanges, by the order matching mechanism except "all or none" order matching system, as provided under the Buyback Regulations.

In relation to the Buyback of Demat Shares, the execution of the order, issuance of contract note and delivery of the stock to the member and receipt of payment would be carried out by the Company's Broker, appointed by the Company, in accordance with the requirements of the Stock Exchanges and SEBI.

7. Time limit for completing the Buyback:

Subject to receipt of regulatory consents and approvals, if any, the Buyback is proposed to be completed within 12 months from the date of passing of special resolution detailed in this Postal Ballot Notice.

8. Compliance with Regulation 4 of the Buyback Regulations:

In terms of the provisions of the Buyback Regulations, the offer for Buyback under open market route cannot be made for 15% or more of the total paid-up equity capital and free reserves of the Company as per the latest audited balance sheet of the Company as at 31st March, 2019 (on a standalone basis). The calculation is appended below:

- Retained Earnings	10,709.22
- General Reserve	1,296.47
- Securities Premium reserve	33,221.23

Maximum amount permissible for buyback under the proviso to Regulation 4 (iv) of the Buyback Regulations, i.e. 15% of the paid up capital and free reserves	7,273.97
Buyback proposed by Board of Directors	7,200.00
Buyback as a percentage of total paid-up equity capital and free reserves (in percentage)	14.85%

Based on the above, the Maximum Buyback Size, i.e. Rs 72.00 crore, is less than 15% of the aggregate of the total paid-up capital and free reserves of the Company.
