Sub.: Your e-mail dated 3rd July, 2018

Ref.: Our letter dated 30th June, 2018 informing about consolidation of plant operations and consequent discontinuation of manufacturing activities at Manesar plant.

Dear Sir/Madam,

We acknowledge your e-mail dated 3rd July, 2018 seeking clarification to the announcement made by the Company on 30th June, 2018 titled "Consolidation of plant operations and consequent discontinuation of manufacturing facilities at our Manesar plant with effect from 31st August, 2018".

You have sought clarification with regard to the amount & percentage of turnover or revenue or income and net worth of the Company contributed by such unit or division during the last financial year.

As desired, we inform that the Company's plant at Manesar has contributed 3.8% approximately to the Total Income of the standalone results of the Company during the financial year 2017-18. Contribution from this plant to the Company's Net Worth for the past few years including the financial year 2017-18 has been negative. This is attributable to the plant witnessing low sales to key customers over the last few years and this has affected the viability of operations in the plant.

Here we would like to clarify that the sales for the Company will not reduce as orders from OEM customers will be catered to by the other plants of the Company. Hence, we do not expect any overall loss of turnover/revenue.

Thanking you,

Yours faithfully,
For **Endurance Technologies Limited**
