NOTES:

1. A member entitled to attend and to vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself/ herself and such a proxy need not be a member of the company. Proxies in order to be effective must be received at the Company's Registered Office not less than 48 hours before the meeting. A person cannot act as proxy for more than 50 members and holding in aggregate not more than 10% of the total share capital of the Company.
2. The Register of Members and the Share Transfer Books will remain closed from 23rd September, 2020 to 30th September, 2020 (both days inclusive).
3. Members / Proxies are requested to bring their copies of Annual Report with them for the Annual General Meeting and the attendance slip duly filled in for attending the Meeting. No copies of the Annual Report will be distributed at the meeting.
4. Members are requested to quote their Registered Folio No or Demat Account No and Depository Participant Identification Number (DPID No) on all correspondence with the Company.

5. Members are requested to send all communication relating to shares to the Company's RTA, M/s Aarthi Consultants (P) Limited, 1-2-285, Near Gaganmahal Hospital, Domalaguda, Hyderabad – 500 029
6. The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by companies and has issued circular stating that service of notice/documents including annual report can be sent by e-mail to its members. We fully support the Ministry's green initiative. Accordingly, the members are requested to inform their e-mail addresses to RTA - Aarthi Consultants (P) Limited, 1-2-285, Near Gaganmahal Hospital, Domalaguda, Hyderabad – 500 029
7. Members who hold shares in physical form can nominate any person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail of the nomination facility. Members holding shares in dematerialized form may contact their respective depository participant(s) for recording nomination in respect of their shares. Members holding shares in physical form are requested to convert their holdings to dematerialized form to eliminate all risks associated with physical shares. Further, as per the amended regulations of SEBI (Listing Obligations and Disclosure requirements) (Fourth Amendment Regulations), 2018, transfer of securities of listed companies shall not be processed unless the securities held in the Demat form with a depository.
8. The information pursuant to Regulation 36(3) of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 ("Listing Regulations, 2015) with respect to the details of the Directors seeking appointment / re-appointment in this Annual General Meeting is annexed hereto.
9. Members may also note that the Notice of the 28th Annual General Meeting and the Annual Report for 2019-20 will also be available on the Company's website at www.vsfprojects.in for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during 10:30 A.M to 12:30 P.M on all working days till 30th September, 2020. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the Members may also send requests to the Company's email id: vsfprojects1td91@gmail.Com.
10. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto.
11. Voting through Electronic means
 - (a) The Company is pleased to provide members the facility to exercise their right to vote on the resolutions as set out in the Notice calling for the Annual General Meeting (AGM) by 'electronic means' and all the businesses may be transacted through e- Voting services provided by Central Depository Services (India) Limited (CDSL), in compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules 2014.
 - (b) Voting rights are reckoned on the basis of the shares registered in the names of the members / beneficial owners as on the record date fixed for this purpose viz. 23rd September, 2019.
12. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Mrs R V N Padmaja, Practicing Company Secretary has been appointed as scrutinizer for conducting the e-Voting process in a fair and transparent manner.

13. The instructions for members for voting electronically are as under :-

- (i) The voting period begins on Sunday, 27th September, 2020 (9:00 am) and ends on Tuesday, 29th September, 2020 (5:00 pm). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (Holding date) i.e, Tuesday 22nd September ,2020 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com during the voting period.
- (iv) Click on "Shareholders" tab.
- (v) Now, select "**VSF PROJECTS LIMITED**" from the drop down menu and click on "SUBMIT"
- (vi) Now Enter your User ID

- a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vii) Next enter the Image Verification as displayed and Click on Login.
- (viii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
- (ix) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN*	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the last 8 digits of the demat account/folio number in the PAN field. In case the folio number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with folio number 100 then enter RA00000100 in the PAN field.
DOB#	Enter the Date of Birth as recorded in your demat account or in the company records for the said demat account or folio in dd/mm/yyyy format.
Dividend Bank Details#	Enter the Dividend Bank Details as recorded in your demat account or in the company records for the said demat account or folio. Please enter the DOB or Dividend Bank Details in order to login. If the details are not recorded with the depository or company please enter the number of shares held by you as on the cut off date in the Dividend Bank details field.

- (x) After entering these details appropriately, click on "SUBMIT" tab.
- (xi) Members holding shares in physical form will then reach directly the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xii) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xiii) Click on the EVSN of **"VSF PROJECTS LIMITED"** to vote.
- (xiv) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xv) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xvi) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xvii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xviii) You can also take out print of the voting done by you by clicking on "Click here to print" option on the Voting page.

(xix) If Demat account holder has forgotten the changed password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

- Institutional shareholders (i.e. other than Individuals, HUF, NRI etc.) are required to log on to <https://www.evotingindia.co.in> and register themselves as Corporates.
- They should submit a scanned copy of the Registration Form bearing the stamp and sign of the entity to helpdesk.evoting@cdslindia.com.
- After receiving the login details they have to create a user who would be able to link the account(s) which they wish to vote on.
- The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- They should upload a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, in PDF format in the system for the scrutinizer to verify the same.

(xx) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as prompted by the mobile app while voting on your mobile.

(xxi) Note for Non - Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.co.in under help section or write an email to helpdesk.evoting@cdslindia.com.

The Scrutinizer shall after the conclusion of the e-Voting period and after AGM, unblock the votes in the presence of at least two witnesses not in the employment of the Company and make a Scrutinizer's Report of the votes cast "in favour" or "against", if any, forthwith to the Chairman of the Company.

The Results declared along with the Scrutinizer's Report will be placed on the Company's website www.vsfprojects.in and on the website of CDSL within two days of passing of the resolutions at the AGM and communicated to the Stock Exchanges.

All documents referred to in the accompanying Notice and the Explanatory Statement will be open for inspection at the Registered Office of the Company during 10.30 am to 12.30 noon on all working days up to and including the date of the AGM

Less : Dividend Paid on Equity Shares	-	-
Dividend Distribution Tax	-	-
Balance Carried Forward	(1036.59)	(1041.35)

COMPANY PERFORMANCE:

The Financial Year 2019-20 has been a very tough year for the Company as the company had no new order due to huge financial crunch and the biggest slowdown in construction business over all in the economy. Further during the FY 2019-20, Company has generated revenue of Rs. 124.10 Lakhs Compared to Rs. 273.94 Lakhs in the previous year.

TRANSFER TO RESERVES:

Your Company did not transfer any amount to reserves.

THE NAMES OF COMPANIES WHICH HAVE BECOME OR CEASED TO BE ITS SUBSIDIARIES, JOINT VENTURES OR ASSOCIATE COMPANIES DURING THE YEAR:

There are no other subsidiaries, joint ventures or associate companies which have become or ceased during the year.

DIVIDEND:

In view of accumulated losses, your Directors do not recommend any dividend for the financial year 2019-20.

STATUTORY AUDITORS:

M/s. NVSR & Associates, LLP Chartered Accountants, were appointed as Statutory Auditors of the Company for a period of 5 Years from the Conclusion of 27th Annual General Meeting of the Company till the Conclusion of 31st Annual General Meeting of the Company subject to ratification by members in every Annual General Meeting.

However, by the Companies (Amendment) Act, 2017, provisions pertaining to ratification of appointment of Statutory Auditor has been omitted with effect from 7th May, 2018. Hence, the agenda for ratification of appointment of M/s NVSR & Associates, LLP Chartered Accountants, as Statutory Auditors has not been proposed in the Notice convening the Annual General Meeting.

The Independent Auditors report given by M/s. NVSR & Associates, LLP Chartered Accountants, Statutory Auditors of the Company on standalone Financial Statements of the Company does not contain any qualification, reservation or adverse remark.

AUDITORS REPORT

The auditors have given their report on the Annual Accounts of the Company and there was no qualification made by auditor.

SECRETARIAL AUDIT:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has received Secretarial Audit report from M/s. R V N Padmaja, Practicing Company Secretaries.

The Secretarial Audit Report is annexed herewith as “Annexure I” to this report.

REPLY TO QUALIFICATIONS IN SECRETARIAL AUDIT REPORT

- 1. Company has not appointed Company Secretary and CFO for the position of Key Managerial Person as required under section 203 of Companies Act, 2013 and Regulation 6 of SEBI (Listing Obligation and Disclosure Requirements), Regulations, 2015.**

As the Company is situated in remote place, we could not get an eligible Company Secretary or CFO. We are trying to find a right candidate and shall appoint a right candidate as and when available.

- 2. Non Appointment of Internal Auditor as required under section 138 of Companies Act, 2013**

The operations of the Company are negligible and company is facing financial crunch thus becoming difficult to appoint internal auditor.

3. The Company is irregular in filing various forms required to be filed under provisions of Companies Act, 2013

Due to constant changes in officers looking after the secretarial matters, there have been instances of delay in filing of forms.

MEETINGS OF BOARD OF DIRECTORS:

The Board of Directors of the Company met 5 (five times) during the Financial Year. The details of Committees of the Board are mentioned in the **Annexure- II**

04.04.2019	30.05.2019	14.08.2019	13.11.2019	12.02.2020
------------	------------	------------	------------	------------

DETAILS OF DIRECTORS OR KEY MANAGERIAL PERSONNEL WHO WEREAPPOINTED OR HAVE RESIGNED DURING THE YEAR:

During the period under report, there were no changes in the office of Directors and Key Managerial personnel.

However after the financial year 31st March, 2020, Board of Directors in their meeting held on 4th September, 2020 has proposed appointment of Mr. Bobba Lakshmi Narasimha Chowdary as whole time Director, reappointment of Mr Bobba Narayana Murthy as Managing Director and reappointment of Mrs. Bobba Vjaya Lakshmi as Whole time Director. These items of agenda are placed in the notice of 28th Annual General Meeting of the Company to be held on 30th September, 2020 for approval of members

Details of Committees of the Board, their composition and meetings details are provided in Annexure-II which forms part of this report.

DECLARATION GIVEN BY INDEPENDENT DIRECTORS:

Every Independent Director, at the first meeting of the Board in which he participates as a Director and there after at the first meeting of the Board in every financial year, gives a declaration that he meets the criteria of independence as provided under the Companies Act,2013.

MEETING OF INDEPENDENT DIRECTOR:

During the year under review, the Independent Directors met on 12.02.2020 inter alia, to discuss:

- Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole;
- Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors.

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

To,
The Members,
VSF Projects Limited,
Nellore

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by VSF Projects Limited, (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2020 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2020 according to the provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made there under;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the financial year under report:-
 - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

- (b) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
3. Other industry specific major law that is applicable to the company as per the information provided by the management specific to the industry are:
- i) Building and other construction workers (Regulation of Employment and conditions of service) Act, 1996
 - ii) Inter-state Migrant workmen (Regulation of Employment and conditions of service) Act, 1979
4. We have also examined compliance with the applicable clauses of the following:
- a) Securities Exchange Board of India (Listing Obligation and Disclosure Requirements), Regulation 2015
 - b) Secretarial Standards SS -1 and SS-2 issued by the Institute of Company Secretaries of India

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.,

We further report that

Subject to the qualifications noted below, the Board of Directors of the Company is constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the year under report, the Company has not undertaken any event / action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above viz.

The following are the observations:

1. Company has not appointed Company Secretary and CFO for the position of Key Managerial Person as required under section 203 of Companies Act, 2013 and Regulation 6 of SEBI (Listing Obligation and Disclosure Requirements), Regulations, 2015.

2. Non Appointment of Internal Auditor as required under section 138 of Companies Act, 2013

3. The Company is irregular in filing various forms required to be filed under provisions of Companies Act, 2013

MANAGEMENT DISCUSSION & ANALYSIS

INDUSTRY OVERVIEW

The Indian Engineering sector has witnessed a remarkable growth over the last few years driven by increased investments in infrastructure and industrial production. The engineering sector, being closely associated with the manufacturing and infrastructure sectors, is of strategic importance to India's economy.

India on its quest to become a global superpower has made significant strides towards the development of its engineering sector. The Government of India has appointed the Engineering Export Promotion Council (EEPC) as the apex body in charge of promotion of engineering goods, products and services from India. India exports transport equipment, capital goods, other machinery/equipment and light engineering products such as castings, forgings and fasteners to various countries of the world

INFRASTRUCTURE AND CONSTRUCTION – THE LONG TERM OPPORTUNITY

Infrastructure remains a vital sector for India's growth story. But, lack of adequate infrastructure is a major constraint in India's growth. Infrastructure, which was the golden sector a few years ago, is battling regulatory bottlenecks, land acquisition delays and credit crunch. Without any dichotomy - the future growth prospects of the Indian economy lingers primarily on the infrastructure investment and timely execution of the projects.

Defying inflationary pressures and euro zone crisis, the Finance Minister in his Budget has attempted to steer the economy out of recessionary slumber. To give infrastructure the much needed boost and to bridge the infra funding deficit he marshaled all resources at his disposal and fired a barrage of tax free bonds to generate funds for infrastructure sector which plays a pivotal role in generating jobs, shaping the fiscal health of economy and accelerating GDP growth. In fact, the approach is straight, loud and crystal clear attempt to make India an attractive destination for global investors by conceptualizing the cascading effect of dividend distribution tax by terminating secondary tax on companies and skillfully employing the ECB window to generate infra funds both from internal and external resources.

FINANCIAL PERFORMANCE

VSF Projects (VSFPROJ.) is one of India's leading companies with a history of 28 years. Over this span, the company built strong capabilities and established widespread credentials for success of project delivery across wide spectrum of sectors within the infrastructure industry. It is this pedigree that has helped the Company re-invents itself to meet the challenges of different times and deliver value to all stake-holders.

The Company's core business is providing Engineering & Construction services for large projects across sectors like Power (Thermal, Solar), Transportation (Roads, Bridges etc.) Water (Irrigation and water supply) and Industrial Projects.

The Financial Year 2019-20 has been a very tough year for the Company as the company had no new order due to huge financial crunch and the biggest slowdown in construction business over all in the economy. Further the Management is scouting for various other business opportunities for reviving the company including venturing into earlier business of the Company that is aquaculture and other related business.

OPPORTUNITIES & THREATS

Infrastructure Industry: The continued thrust on infrastructure projects including highways / express ways and Power will bring lot of opportunities for India and your Company.

Power Generation: The necessity for addition of power generation capacity of the country and the various incentives provided by the Government of India for private sector participation in development of power will be key to the development of Power projects.

General: The Indian Economy is expected to slowdown and grows at around 5% p.a and provides ample opportunity for the Company to sustain the growth.

All though the Company is well poised and equipped to face any risk of exposure to Business, Assets and Financial Risks in the form of competition, accidents, natural calamities, obsolescence, and fluctuations in foreign currency etc, the Company is not secluded from the threats of slowing economy around the world and India in particular.

Emerging economies around the globe have witnessed outflow of FII investment from both Debt and Equities, resulting in a free fall of the domestic currency against the US Dollar. India is no exception to this and companies across the sectors are feeling the pinch of the slowing economy and falling rupee.

Apart from the global and macro factors, power sector in India is going through a lean phase. The delay in getting various clearances from the government, non signing of Fuel Supply Agreements by the Coal and Gas ministries, the cost escalation have all impacted adversely the Power Sector.

The management of your company is however hopeful that the government will take appropriate and timely steps to revive the prospects of the ailing infra and power companies.

RISKS & CONCERNS

1. Infrastructure sector is dependent on political stability.
2. Contract Payment Risk
3. un organized Sector
4. Shortage of Labor and Employees.
5. Coal Shortages

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The philosophy we have with regard to internal control systems and their adequacy has been formulation of effective systems and their strict implementation to ensure that assets and interests of the Company are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data. The Company has a well defined organization structure with clear functional authority, limits for approval of all transactions. The Company has a strong reporting system, which evaluates and forewarns the management on issues related to compliance. Company updates its internal control system from time to time, enabling it to monitor employee adherence to internal procedures and external regulatory guidelines.

HUMAN RESOURCES

Human wealth is the ultimate wealth in for any industry. The Company recognizes this fact and understands that employees are one of the most important sources for sustained growth of any business. Quality personnel delivering their optimum potential for the organization is the key differentiator. The Company maintained good relations with its employees and there was no unrest in the Company at any point of time.

Industrial relations in the organization continued to be cordial and progressive.

HEALTH AND SAFETY

The Company places considerable emphasis on health and safety throughout its operation and displays commitment to ensure the high standards being maintained in compliance with applicable laws and regulations.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

PARTICULARS	2019-20	2018-2019
Total Income (Including other income)	126.33	274.40
Total Expenses	123.63	1003.97
Profit Before Tax	2.69	-729.57
Profit After Tax	4.76	-727.11
Earnings per share	0.08	-12.39

KEY RATIOS:

S.No	PARTICULARS	2019-20	2018-2019
1	Debtors turnover Ratio	0	0
2	Inventory Turnover ratio	0	0
3	Debt Equity Ratio	329.56	433.70
4	Interest Coverage Ratio	1.23	(32.79)
5	Current Ratio	7.73%	7.12%
6	Operating Profit Margin	11.30%	(258.01%)
7	Net Profit Margin	3.77%	(264.98%)
8	Return on Networth	0.2388	(47.95)

Reason for difference of more than 25% compared to previous year:

Interest Coverage Ratio, Operating profit Margin, Net profit Margin and Return on Networth all are negative in 2018-19 due to impairment of trade receivables.

FORWARD LOOKING / CAUTIONARY STATEMENT:

Certain statements in the Management Discussion & Analysis Report detailing the Company's objectives, projections, estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities laws and regulations. These statements being based on certain assumptions and expectation of future event, actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting domestic demand supply conditions, finish goods prices, changes in Government Regulations and Tax regime etc. The Company assumes no responsibility to publically amend, modify or revise any forward looking statements on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

**To The Members of
VSF PROJECTS LIMITED**

Report on Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **VSF PROJECTS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 13 of the financial statements, which describes the extent to which the COVID-19 Pandemic will impact the Company's results which depend on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process

Auditor's Responsibility for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016, issued by the department of company affairs, in terms of section 143 (11) of the companies Act, 2013, and on the basis of our examination of the books and records as we considered appropriate and according to the information and explanation given to us, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements and for that Refer Note 2.29 in notes to financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- h) With respect to the matter to be included in the Auditors’ Report under section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the company to its directors during the year is in accordance with the provisions of the section 197 of the Act.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **VSF PROJECTS LIMITED** (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

A. General Information

VSF Projects Limited(the company) is engaged in Construction and Infrastructure development and Execution. The Company is a public limited company incorporated and domiciled in India and has its registered office at Anakalapatur Village, Nellore District, Andhra Pradesh. The Company has its primary listings on the Bombay Stock Exchange. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation and presentation of Financial Statements

The financial statements of VSF Projects Limited (“VSF” or “the Company”) have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 , as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon Ind AS Schedule III of Companies Act, 2013.

Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for impairment of trade receivables as per expected credit loss model in balance sheet.

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realisation/settlement within twelve months period from the balance sheet date.

B. Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgments are:

i) Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

ii) Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

iii) Fair valuation

Fair value is the market based measurement of observable market transaction or available market information.

C. Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest rupees.

D. Current and noncurrent classification

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, and Presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realized within twelve months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

Significant Accounting Policies

1) Property Plant & Equipment

The company has elected revaluation model as its accounting policy for accounting its property, plant and equipment.

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably is carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations is made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fairvalue at the end of the reporting period.

If an asset's carrying amount is increased as a result of a revaluation, the increase should be recognised in other comprehensive income and accumulated in equity under the heading of revaluation surplus. However, the increase is recognised in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognized in profit or loss.

If an asset's carrying amount is decreased as a result of a revaluation, the decrease is recognised in profit or loss. However, the decrease shall be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset. The decrease recognised in other comprehensive income reduces the amount accumulated in equity under the heading of revaluation surplus.

Depreciation

Depreciation is recognized in the statement of profit and loss on a Straight line method over the estimated useful lives of property, plant and equipment based on Schedule II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes oftangible assets. For assets acquired or disposed off during the year, depreciation is provided on prorata basis.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Buildings	30
Plant & Machinery	15
Vehicles	
i)Motor cycles, scooters and other mopeds	10
ii) Motor buses, Motor lorries, Motor taxes and Motor cars	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

2) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified into following categories:

- Financial Assets at amortized cost
- Financial Assets at fair value through other comprehensive income (FVTOCI)
- Financial Assets at fair value through profit or loss (FVTPL)
- Impairment of financial assets

Financial Assets at amortised cost

A Financial Asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in other income in the statement of profit and loss.

Financial Assets at FVTOCI

A Financial Asset is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Financial Assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). On derecognition of the asset, cumulative gain or loss

previously recognized in OCI is reclassified to the statement of profit and loss. Interest earned whilst holding FVTOCI is reported as interest income using the EIR method.

Financial Assets at FVTPL

FVTPL is a residual category for Financial Assets. Any asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. These include surplus funds invested in mutual funds.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial instrument. In simple terms, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables.

For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration deviation of receivables turnover ratio from normal credit period.

Investment in Subsidiary:

Following the principles enumerated in Ind AS 27, *Separate Financial Statements*, the Company elected to account for its investment in its subsidiary in accordance with Ind AS 109, *Financial Instruments*.

Ind AS 109 requires an entity to measure the investment in equity shares at fair value and recognize the changes in fair value through profit and loss account. However, it also gives an irrevocable option to an entity to recognize the aforesaid changes in fair value through other comprehensive income ("OCI"). On the transition date, the Company has elected the irrevocable option to recognize the fair value changes in the equity shares in the subsidiary in Other Comprehensive Income.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognised in OCI. These gains/ losses are not subsequently transferred to the statement of profit and loss. However, the

Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

3) Inventories

Inventories consist of goods and to be measured at the lower of cost and net realisable value. The cost of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Stores and spares, that do not qualify to be recognised as property, plant and equipment and consumables which are used in operating machines or consumed as indirect materials in the manufacturing process. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

4) Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been

determined, net of depreciation or amortization, if no impairment loss had been recognized.

5) Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks,. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

6) Employee Benefits

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

7) Provisions, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

8) Revenue Recognition

Revenue from Construction Contracts

Revenue from Construction contracts is measured at fair value of the consideration received or receivable.

Revenue from construction contracts is recognized only to the extent of contract costs incurred that is probable will be recoverable.

Revenue from construction contracts is recognized only when the revenue can be estimated reliably and contract revenue and contract costs associates with the construction contract is recognized by reference to the stage of completion of the contract activity at the end of the reporting period.

Prior period figures have been regrouped/reclassified wherever necessary for comparative purposes

9) Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Company and all such taxes are recognized in the statement of changes in equity as part of the associated dividend payment.

10) Earnings Per Share

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

11) Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment.

12) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

13) Impact of COVID-19 Key accounting judgments, estimates and assumptions.

The threats posed by the corona virus outbreak are multifold. In many countries, businesses have been forced to cease or limit their operations for long or indefinite periods of time. Even in India the outbreak has been declared epidemic and on March 24, 2020, the Government of India ordered a nationwide lockdown, limiting movement of the population of India as a preventive measure against the COVID-19 pandemic. As a result, most businesses throughout the world are dealing with lost revenue and disrupted supply chains. The disruption to global supply chains due to factory shutdowns has already exposed the vulnerabilities of many organizations.

The Company considered the uncertainty relating to the COVID-19 pandemic in assessing the recoverability of receivables, goodwill, intangible assets, investments and other assets. For this purpose, the Company considered internal and external sources of information up to the date of approval of these financial statements. The Company has

also used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis. Based on its current estimates, the Company expects to fully recover the carrying amount of receivables, goodwill, intangible assets, investments and other assets.

As the outbreak continues to evolve, the Company will continue to closely monitor any material changes to future economic conditions.

The preparation of the Financial Statements required the Management to exercise judgments and to make estimates and assumptions. The Management has considered the possible effects, if any, that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions and estimates relating to the uncertainties as at the Balance Sheet date in relation to the recoverable amounts of these assets, the Management has considered the global economic conditions prevailing as at the date of approval of these financial statements and has used internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.

14) Recent Accounting Pronouncements:

There is no such notification which would have been applicable from 1st April 2020 and the company has applied the following standards and amendments for the first time for their annual reporting period commencing 1st April 2019:

- IND AS-116, Leases
- Amendment to IND AS 12, Income taxes
- Uncertainty over Income tax Treatments-Appendix C to IND AS 12, Income taxes
- Amendment to IND AS 19, Employee Benefits

[Continued from above table, first column(s) repeated]

Particulars	As at 1 April 2018	Recognized in statement of profit and loss	Recognized in equity	As at 31 March 2019
<u>Deferred tax assets/(liabilities)</u>				
Property, plant and equipment	1,40,505	(2,46,299)	-	1,05,794
Others		-		
Net deferred tax assets/(liabilities)	1,40,505	(2,46,299)	-	1,05,794

2.26 Property, Plant and Equipment:

The company has elected revaluation model as its accounting policy for accounting it's property, plant and equipment.

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably is carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations is made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

If an asset's carrying amount is increased as a result of a revaluation, the increase should be recognised in other comprehensive income and accumulated in equity under the heading of revaluation surplus

However, the company has not carried out any revaluation of it's items of property, plant and equipment and hence, the previous balance amount of property plant and equipment is continued to be considered carrying amount of property , plant and equipment for the end of the reporting period.

2.27 Investments:

Ind AS 109 requires an entity to measure the investment in equity shares at fair value and recognize the changes in fair value through profit and loss account. However, it also gives an irrevocable option to an entity to recognize the aforesaid changes in fair value through other comprehensive income ("OCI"). Accordingly the company has no Investments during the year as there is material uncertainty in respect ability to continue as going concern.

2.28 Financial Risk Management:

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors, risk management committee and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

a. Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade and other receivables and investments.

Trade Receivables-The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Financial assets that are neither past due nor impaired - None of the Company's cash equivalents, including deposits with banks, were past due or impaired as at 31 March 2020.

Of the total trade and other receivables, Nil as at 31 March 2020 and Rs.12,82,10,080/-as at 31 March 2019has been impaired.

The Company's credit period for customers generally ranges from 60-90 days. The aging of trade receivables that are past due but not impaired is given below:

Particulars	As of 31 March	
Period (in days)	2020	2019

1 – 90	-	-
90 – 180	-	-
More than 180	55,751	55,751
Total	55,751	55,751

Other than trade receivables, the Company has no significant class of financial assets that is past due but not impaired.

On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate

Reconciliation of allowance for credit losses

The details of changes in allowance for credit losses during the year ended 31 March 2020 and 31 March 2019 are as follows:

Particulars	For the Year Ended 31 March	
	2020	2019
Balance at the beginning of the year	12,82,10,080	5,64,36,966
Impairment of Trade receivables	Nil	7,17,73,114
Balance at the end of the year	12,82,10,080	12,82,10,080

Liquidity Risks:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

As of 31 March 2020, the Company had working capital (current assets less current liabilities) of Rs. (22,52,65,811/-) including cash and cash equivalents of Rs.4,87,398/-. As of 31 March 2019, the Company had working capital of Rs. (24,10,45,275/-), including cash and cash equivalents of Rs.28,090/-.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2020:

Particulars	2021	2022	2023	2024	Thereafter	Total
Trade payables						
Long term borrowings	-					-
Bank overdraft, short-term loans and borrowings	-					-
Other financial liabilities-Non current	1,07,10,848				14,57,41,273	15,64,52,121
Other financial liabilities- Current	22,43,78,686					22,43,78,686

CAPITAL MANAGEMENT

The Company's objective for capital management is to maximize shareholder wealth, safeguard business continuity and support the growth of the Company. The Company determines the capital management requirement based on annual operating plans and long term and other strategic investment plans. The funding requirement is met through equity, borrowings and operating cash flows required.

The company's Debt Equity ratio is as follows:

Particulars	2020	2019
Total Debt	65,64,93,894	65,76,28,152
Total Equity	19,92,050	15,16,310
Debt Equity Ratio	329.56:1	433.70 : 1

2.29 Contingent Liabilities and Commitments:

Contingent Liabilities:

The Company has reviewed all its pending litigations and proceedings and has made adequate provisions, wherever required and disclosed the contingent liabilities, wherever

applicable, in its financial statements. The Company does not reasonably expect the outcome of these proceedings to have a material impact on its financial statements.

- i) The company has a pending litigation with Consolidated Construction Consortium Limited in jurisdiction of Hyderabad for the agreement entered by both the parties on 24th August 2012 for execution of Boiler turbine Generator package and construction of remaining Plant at Ankulapathur village, Chillakurmandal, SPSR, Nellore district, Andhra Pradesh. The transaction contemplates payment of Non-interest bearing advance of ₹3000 Million against which an amount of ₹10 crore is disbursed and outstanding as on 31st March, 2020.
- ii) As per the assessment order ITBA/AST/S/143(3)/2019-20/1021359029(1) dated 29/11/2019 pertaining to A.Y 2017-18, the assessing officer disallowed the amount of Rs.16,07,222 computed as per the sec 14A Rule 8D on the investments amount of Rs.53,71,99,990 stating that there is exempt income in one or the other year for which the corresponding expenses are not allowable. Based on those facts and circumstances of the case, the company made an appeal to the Commissioner of Income tax, Hyderabad-5 on 28th December, 2019.
