Explanatory Notes to the Resolutions

An explanation of each of the resolutions is set out below.

Resolutions 1 to 10 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolution 11 is proposed as a special resolution. This means that for this resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Report and Accounts

Resolution 1

The Directors of the Company are required to present the Annual Report and Accounts to the meeting.

Directors' Remuneration Report

Resolution 2

The Directors' Remuneration Report provides details of the remuneration paid to the Directors during the year to 31 December 2022.

Resolution 2, in line with current legislation, will be an advisory vote and will not affect the way in which the pay policy has been implemented or the future remuneration that is paid to any Director. The Remuneration Report can be found in the Company's Annual Report and Accounts on pages 164 to 171.

Directors

Resolutions 3 to 7

These resolutions are to approve the re-election of the Directors of the Board. In accordance with provision 23 of the AIC Code of Corporate Governance (published in February 2019), all Directors will be subject to annual re-election and will retire and those willing to serve again will submit themselves for election or re-election. The Directors believe that the Board offers a combination of skills, experience and knowledge and that all the non-executive Directors are independent in character and judgement.

The Board considers that the performance of each Director continues to be effective and demonstrates the commitment required to continue in their present roles, and that each Director's contribution continues to be important to the Company's long-term sustainable success. This consideration is based on, amongst other things, the business skills and industry experience of each of the Directors (refer to the biographical details of each Director as set out below), as well as their knowledge and understanding of the Company's business model.

The Board has also considered the other contributions which individual Directors may make to the work of the Board, with a view to ensuring that:

- (i) the Board maintains a diverse balance of skills, knowledge, backgrounds and capabilities leading to effective decision-making;
- (ii) each Director is able to commit the appropriate time necessary to fulfilling their roles; and
- (iii) each Director provides constructive challenge, strategic guidance, offers specialist advice and holds third party service providers to account.

Biographical details of each of the Directors are as follows:

Phil Jordan
– Chair

Phil Jordan has a successful track record in the digital infrastructure and technology sectors, both in an executive and non-executive capacity. Phil's executive career includes country, regional and group Chief Information Officer roles, including spending over 10 years at Vodafone, over seven years with Telefonica, where in addition to the Group CIO role, he was CEO and then Chair of Telefonica Global Technology. He retired as Group CIO of Sainsbury's on 3 March 2023, a role he has held for over four years.

He has also acted as a Non-Executive industry adviser to HSBC and was a Non-Executive director of Talk Talk Telecom Group PLC until it was taken private in 2021.

Keith Mansfield
– Independent Non-Executive Director (Senior Independent Director up to 13 February 2023)

Keith Mansfield is a Chartered Accountant by background and brings extensive accountancy experience, having worked at PricewaterhouseCoopers LLP ("PwC") for over 30 years, during which time he served as Chair of PwC in London responsible for assurance, tax and advisory services. As a partner for 22 years, he advised many public and private companies across a range of industry sectors. Keith is a Non-Executive Director (and Chair of the Audit Committee) of Tritax EuroBox plc and Motorpoint Group plc. He is also Chair of the board of Albermarle Fair Oaks Airport Limited.

Charlotte Valeur
– Independent Non-Executive Director

Charlotte Valeur has over 40 years' experience in finance, primarily in Denmark and UK. Charlotte's previous non-executive roles include Chairing Kennedy Wilson Europe Real Estate Plc (FTSE 250) and DW Catalyst Fund Ltd, and Non-Executive Director on the boards of 3i Infrastructure Plc (FTSE 250), NTR Plc, Renewable Energy Generation Limited and JPMorgan Convertibles Income Fund Ltd. She was also the former Chair of the UK Institute of Directors. She is currently Non-Executive Director of The Bankers Investment Trust plc, Chair of Blackstone/GSO Loan Financing Ltd, a Non-Executive Director of Laing O'Rourke Ltd, and a member of the Primary Markets Group of the London Stock Exchange.

Lisa Harrington
– Independent Non-Executive Director (Senior Independent Director effective 13 February 2023)

Lisa Harrington is a tech executive and has spent 25 years growing and transforming business across a range of sectors including telecommunications, technology and utilities. Joining British Telecom ("BT") in 2007, Lisa spent 10 years in a range of leadership positions with her final role being Chief Customer Officer BT Group, reporting to the CEO. In 2021, Lisa held the interim Managing Director role at Hyperoptic Ltd, a private equity backed fibre alternative network. Lisa is currently a Non-Executive Director of Post Office Limited, a Non-Executive Director of SEG Ltd, and a Non-Executive Director of Truespeed Communications Ltd. Lisa has previously held Non-Executive posts on the boards of Southern Water, West London NHS Mental Health Trust and Calisen plc (FTSE 250). She started her career at Accenture in Ireland and the UK and, more recently, was managing director Tech Learning Division of QA Limited, one of the biggest tech and cyber skills providers in the UK.

Aaron Le Cornu
– Independent Non-Executive Director

Aaron Le Cornu comes from a financial background, having qualified as a Chartered Accountant with Arthur Andersen and worked for HSBC for over 10 years. During his time with HSBC, he held several board positions for HSBC subsidiaries, including as Deputy CEO for HSBC International and was also involved in acquisitions such as the purchase of Marks & Spencer Money. He has since held a number of senior executive roles including at Ogier (offshore legal and fiduciary services provider), Elian (a fiduciary firm headquartered in Jersey) and, latterly, at GLI Finance, an alternative finance provider and strategic investor in numerous fintech platforms. Aaron is currently the Chair of the abrdn Capital Offshore Strategy Fund Ltd. He also served as a Non-Executive Director for Jersey Electricity plc, having stepped down in 2021 after 10 years on the board.

Auditors

Resolution 8

The Company is required to re-appoint auditors at each general meeting at which accounts are laid, to hold office until the conclusion of the next such meeting. The Company's Audit Committee has recommended to the Board the re-appointment of PwC and the Board has endorsed this recommendation. This resolution therefore proposes the re-appointment of PwC as auditors of the Company.

Resolution 9

This resolution is to authorise the Audit Committee to determine the remuneration of the Auditors.

Dividends

Resolution 10

The Company intends to pay four dividends per annum, to be declared by the Board as "interim" dividends. The alternative to this would be for the Board to declare three interim dividends with the final dividend being proposed by the Board as a "final" dividend and declared if approved by Ordinary Resolution. To avoid the additional procedure required in relation to final dividends, the Company will propose a dividend policy at each AGM that enables the Company to pay all of its dividends as "interim" dividends and for the last dividend not to be categorised as a "final" dividend that is subject to shareholder approval.

Authority to purchase own shares

Resolution 11

In certain circumstances, it may be advantageous for the Company to purchase its own shares and this resolution seeks the authority from shareholders to continue to do so. The Directors will continue to exercise this authority only when, in the light of market conditions prevailing at the time, they believe that it is in the best interests of shareholders as a whole and as a means of correcting any imbalance between supply and demand for the shares. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. Under the Law, the Company can hold its own shares in treasury following a buy back, instead of having to cancel them. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively and provides the Company with additional flexibility in the management of its capital base. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares. If the Directors exercise the authority conferred by resolution 11, the Company will have the option of either holding in treasury or of cancelling any of its own shares purchased pursuant to this authority and will decide at the time of purchase which option to pursue.

The resolution specifies the maximum number of Ordinary Shares that may be acquired (approximately 10 per cent. of the Company's issued ordinary share capital as at 8 March 2023 (being the latest practicable date prior to the publication of this notice)) and the maximum and minimum prices at which they may be bought. Given that the Company's shares do not have a minimal value, the Board has decided to provide for the minimum price in the resolution to be calculated by reference to market value, in order to mirror more closely the spread between minimum and maximum price of other listed company that use the nominal value of their shares as the minimum price.

There are no warrants or options to subscribe for Ordinary Shares outstanding as at 8 March 2023 (being the latest practicable date prior to the publication of this notice).

If given, this authority will expire at the conclusion of the 2024 annual general meeting or on 18 August 2024 (the date which is 15 months after the date of passing of the resolution), whichever is earlier.

The Directors intend to seek renewal of this authority at subsequent annual general meetings in accordance with current best practice.

Further information about the AGM

Right to attend AGM

Only those members registered on the Company's Register of Members of the Company at close of business on 16 May 2023 (or in the event of an adjournment, at close of business on the date which is two working days prior to the adjourned meeting), or their duly appointed proxy, shall be entitled to attend and vote at the AGM. Changes to the Register of Members after the deadline shall be disregarded in determining the rights of persons to attend and vote at the AGM.

Quorum

The quorum for the General Meeting will be two persons entitled to attend and to vote on the business to be transacted, each being a member so entitled or a proxy for a member so entitled or a duly authorised representative of a corporation which is a member so entitled. If within five minutes (or such longer interval as Chair of the General Meeting in his absolute discretion thinks fit) from the time appointed for the holding of the General Meeting a quorum is not present, or if during the General Meeting such a quorum ceases to be present, the General Meeting shall stand adjourned to such day (being not less than ten clear days after the original meeting) and at such time and place, and/or on such electronic platform(s), as the Chair (or, in default, the Board) may determine, and no notice of an

adjourned meeting need be given unless the meeting is adjourned for 30 days or more or indefinitely. If at such adjourned meeting a quorum is not present within five minutes from the time appointed for holding the meeting, one person entitled to vote on the business to be transacted, being a member so entitled or a proxy for a member so entitled or a duly authorised representative of a corporation which is a member so entitled, shall be a quorum.

Appointment of a proxy

Members are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote at the AGM and at any adjournment thereof. A member may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company but they must be registered in advance and attend the AGM to represent you. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice. To be valid, your Form of Proxy must be received no later than 9:30 a.m. on 16 May 2023 (or, if the meeting is adjourned, 48 hours (excluding non-working days) before the time fixed for the adjourned meeting). You may return your Form of Proxy using the pre-paid envelope provided or delivered by post to Computershare Investor Services (Jersey) Limited, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY. Alternatively, you can submit your proxy instruction electronically at www.eproxyappointment.com. Completion and return of the Form of Proxy will not preclude members from attending and voting at the meeting should they wish to do so. Amended instructions must also be received by Computershare by the deadline for receipt of Forms of Proxy.

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy, or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com/CREST).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Corporate Representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same Ordinary Shares.

Questions at the AGM

Any member attending the meeting has the right to ask questions. The Company must answer any question relating to the business being dealt with at the AGM, except in certain circumstances, including (but not limited to) if:

- (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- (ii) the answer has already been given on a website in the form of an answer to a question; or
- (iii) it is undesirable in the interest of the Company or the good order of the meeting that the question be answered.
